

KEEP SALEM MOVING!

City of Salem November 2008 Streets and Bridges General Obligation Bond Measure Total Proposed Bonding Authority: \$99.8 million

Project Summary:

Radar Speed Information Trailers

Project Description:

Purchase four radar speed detection and display trailers to inform motorists of their travel speeds. Two trailers will replace existing, aging trailers and two additional trailers to address backlog of citizen requests.

Background:

Radar speed trailers are placed by the Salem Police Department at locations at the request of local residents on streets experiencing potential traffic speed problems.

Estimated Project Costs:

\$52,000 (\$13,000 each)

Purchase Schedule:

2009

Neighborhood Associations:

All Neighborhood Associations

City Council Ward:

All Wards
