

## ***KEEP SALEM MOVING!***

---

**City of Salem November 2008 Streets and Bridges General Obligation Bond Measure  
Total Bonding Authority: \$99.8 million**

### **Project Summary:**

## **Railroad Crossing Safety Projects**

Project Description: Construct projects to improve both vehicular and pedestrian safety at street crossings with the Union Pacific and Portland & Western Railroads. Funds can be used to reduce potential for pedestrian trespassing on railroads between crossings as well. Projects to be approved by City Council.

Background: 33 pedestrian fatalities have occurred along railroads in Salem since 1991. There is also interest from residents of inner neighborhoods to see if sufficient safety measures could be implemented to create a horn-free or railroad "quiet zone."

Estimated Project Costs: \$1.2 million Total (constructed)

Construction Schedule: Begin Design and Right-of-Way Acquisition: 2011  
Begin Construction: 2013

Neighborhood Associations: Northgate, Highland, Grant, CAN-DO, NEN, SESNA, SCAN, South Salem, and Morningside

City Council Ward: Wards 1, 2, 3, 5, and 7
