

**State Street**  
 Difficult crossings, poor bicycle facility connectivity, and varying roadway widths are difficult for cyclists traveling in the lanes.

**McGilchrist**  
 Difficult bicycle and pedestrian access along McGilchrist due to missing bike lanes, and narrow roadways.

**Kuebler Boulevard**  
 Debris in roadway, narrow bike lanes on bridges, Kuebler is a barrier for children and other users due to high traffic volume, speeds, and a lack of sidewalks.
