

**Orchard Heights**  
Sidewalk and crossing improvements are needed.

**Doaks Ferry Road**  
Pedestrian improvements are needed near key school destinations.

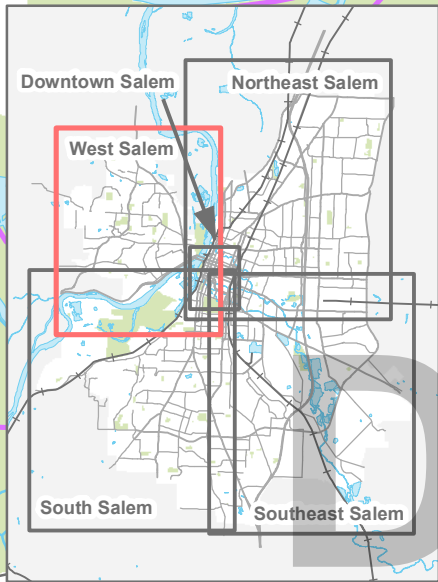

**Wallace Road**  
Difficult and wide crossings make Wallace Road a pedestrian barrier, especially for children. Poor lighting creates difficulties.

**Edgewater District**  
Bicycle and pedestrian access to key commercial destinations and schools need to be improved.

**Union Street Bike Ped Bridge –West Connection**  
Prohibited crossing of Wallace Road, poor connectivity to the Edgewater District, and high traffic volumes and speeds are challenges.
