### Planned Pedestrian Paths FY 11-12

- ① Path connection from existing railroad bridge path to the river.
- ② Path connection to existing restrooms.
- ③ Path connection from railroad bridge to Glenn Creek Rd (ODOT / ARRA funded contract).

### Possible Future Paths & Other Improvements:

- ④ Create area for natural materials playground.
- ⑤ Pave, stripe, landscape existing parking lot adjacent to railroad bridge trestle.
- ⑥ Improve path connection between parking lots & connection to Glen Creek Rd.
- ⑦ Pave, stripe parking lot adjacent to the soccer field.
