

INCLEMENT WEATHER POLICY

In times of inclement weather or hazardous road conditions, it is the policy of Center 50+ to follow the lead of the Salem-Keizer School District. This policy provides certain consistency regarding the question of opening the Center.

School closures and delays are communicated on most local area Portland based television and radio stations. When the weather or road conditions are questionable, please listen for the Salem-Keizer School District's decision and know that Center 50+ will be on the same adjusted schedule or closed .
