MAJOR/DEPUTY MAJOR'S OFFICE

To: The Salem City Council

We were surprised and shocked to hear the pools at Walker and Blinger are to be closed Sept. I thought the new Hoc Center pool would be in addition to present facilities.

We cannot understand the reasoning behind this decision. We need all the pools, etc that we can get.

Our grandson participated in water polo and swimming at Sprague High School and went on to be on the water

polo team at the U of O. It was a very enjoyable time of his life.

The contribution to the Hoc Center several times not knowing what it would lead to.

Sincerely,

Phyllis I. Bowman
