

"Scott & Diane" scottanddiane2@comcast.net

Keep Olinger Open

This pool serves so many:

Infants through Seniors - with swimming lessons;

Adults - with joint-friendly exercise;

Victims of accidents and those recovering from surgeries - with hydrotherapy;

Swim Teams - with a place to practice and compete;

National Guard - with a place to train;

And most importantly, Families - with FUN, FUN, FUN!

So many that would not be able to access a swimming pool, without the City's support.
