## MEMORANDUM

To: MAYOR AND CITY COUNCIL  
From: BRAD NANKE, CITY COUNCILOR - WARD 3  
Date: April 18, 2007  
Subject: Boone Road

Motion:

I move that the re-opening of Boone Road be placed in the Salem Transportation System Plan. I further move that staff bring back a report summarizing the circumstances that resulted in the closure of Boone Road, whether the road would have been closed had these circumstances not occurred, and options for re-opening Boone Road without major capital expense.

Discussion:

The Morningside Neighborhood Association voted at its last meeting, dated 4/11/07, to ask that the re-opening of Boone Road be placed on the Salem Transportation System Plan. They also had questions as to why and when Boone Road was closed, and would Boone Road be closed today under the same circumstances.
