TO: All Holders of the City of Salem Design Standards

EFFECTIVE DATE: June 7, 1994

SUBJECT: **DEVELOPMENT BULLETIN #16**

The following information is distributed as a public service to the Salem development community of engineers, architects, contractors, builders, and developers to make them aware of any changes in the City permit and plan approval process, design standards, or construction standards which may have an impact on their operations:

WATER MASTER PLAN TECHNICAL SUPPLEMENT

PURPOSE: NOTICE OF ADDITION OF WATER MASTER PLAN TECHNICAL SUPPLEMENT TO THE WATER DISTRIBUTION SYSTEM DESIGN STANDARDS

The Salem City Council adopted the Water Master Plan at their June 7, 1994, meeting.

The Water Master Plan includes an addendum, entitled the Water Master Plan Technical Supplement. This document includes the engineering criteria used in developing the Water Master Plan for the City. The Water Master Plan Technical Supplement is considered an addition to the Water Distribution System Design Standards, effective June 7, 1994.

If you have questions or would like to obtain a copy of the Supplement, please contact the Public Works Department at (503) 588-6211. The cost of the document is \$40.
