City of Salem Seeks Input on Railroad Bridge Project

SALEM, OR - November 23, 2005

On Thursday, December 8, 2005 the City of Salem's Urban Development Department will host an Open House event to share design alternatives for the reuse of the Union Street Railroad bridge. The drop-in event is scheduled from 5 p.m. to 7 p.m. in the Anderson Room at the Salem Public Library, 585 Liberty Street SE. In addition to City staff, experts from HDR Inc., the engineering firm chosen to develop the alternatives, will be on hand to provide information, answer questions, and take public input.

Another opportunity to provide feedback will occur at a Public Forum/Work Session before the City Council/Urban Renewal Agency Board on Monday, January 9, 2006, in the City Council Chambers at 555 Liberty Street SE.
