

# Polling Results: Economic Forum

## Response Counts

**Totals: 25**

1. Implement a City ordinance that requires a Home Energy Score be provided to prospective home buyers. Follow guidance from Home Energy Score programs established in other Oregon cities, including Portland and Milwaukie.

Value	Percent	Responses
Love it 	20.0%	5
Could live with it 	40.0%	10
Neutral 	8.0%	2
Hate it 	24.0%	6
Don't know / need more information 	8.0%	2

**Totals: 25**

2. Adopt a reach Net Zero energy building code or highly energy-efficient voluntary green energy standard for new homes and buildings and provide regulatory and financial incentives to builders and developers to build to the new standard.

Value		Percent	Responses
Love it		40.0%	10
Could live with it		24.0%	6
Neutral		12.0%	3
Hate it		16.0%	4
Don't know / need more information		8.0%	2
			<b>Totals: 25</b>

3. Amend city code so that all new construction must be all-electric, i.e. no new natural gas hookups.

Value		Percent	Responses
Love it		4.0%	1
Could live with it		12.0%	3
Neutral		12.0%	3
Hate it		64.0%	16
Don't know / need more information		8.0%	2
			<b>Totals: 25</b>

4. Explore the creation of a philanthropic fund to assist small businesses in recovering from and preparing for natural disasters.

Value		Percent	Responses
Love it		36.0%	9
Could live with it		24.0%	6
Neutral		20.0%	5
Hate it		8.0%	2
Don't know / need more information		12.0%	3
<b>Totals: 25</b>			

5. Research the feasibility of implementing a gas tax. Revenue from this tax can fund connectivity and safety improvements for sidewalks and bike lanes.

Value		Percent	Responses
Love it		28.0%	7
Could live with it		28.0%	7
Neutral		8.0%	2
Hate it		32.0%	8
Don't know / need more information		4.0%	1
<b>Totals: 25</b>			

6. Partner with PGE, Salem Electric, Energy Trust of Oregon and EarthWise programs for energy benchmarking and transparency policies in existing buildings with a publicly available "reward" system recognizing those who do well and a "recommendations" system that requires the property owners of lower-performing buildings to take action for improvement.

Value		Percent	Responses
Love it		28.0%	7
Could live with it		36.0%	9
Neutral		20.0%	5
Hate it		12.0%	3
Don't know / need more information		4.0%	1
			<b>Totals: 25</b>

7. Develop code for increased shading of impervious surfaces in parking lots and increased use of pervious pavement.

Value		Percent	Responses
Love it		44.0%	11
Could live with it		32.0%	8
Neutral		4.0%	1
Hate it		12.0%	3
Don't know / need more information		8.0%	2
			<b>Totals: 25</b>
