Contact the Clean Streams Team at stormwateroutreach@cityofsalem.net for more information.

WORD SCRAMBLE ANSWERS:

1. stream 2. pipes 3. family
4. storm drains 5. habitat

Help keep fish happy and healthy.

Storm drains lead to creeks. Keeping trash and pollution out of the drains protects the home of fish and stream critters.

What other types of creatures live in creeks?
What types of plants live near streams?
