

**AMENDED INTERGOVERNMENTAL AGREEMENT
FOR THE CREATION OF THE DOWNTOWN ADVISORY BOARD**

This INTERGOVERNMENTAL AGREEMENT ("Agreement") is entered into between the City of Salem, an Oregon municipal corporation (the City), and the Urban Renewal Agency for the City of Salem, an Oregon quasi-municipal corporation (the Agency).

RECITALS:

(a) The Agency is a public body, corporate and politic, duly activated by the City Council, exercising its powers to engage in urban renewal activity as authorized by ORS Chapter 457.

(b) The Agency has developed certain Urban Renewal Plans (the Plans), as defined by ORS 457.010(16), which have been approved by the City, pursuant to ORS 457.095, and has engaged in, and will be engaging in, redevelopment activities to carry out those Plans.

(c) On May 5, 1975, the Agency created, and adopted the Riverfront Downtown Urban Renewal Area Plan (RDURP), which has been subsequently amended. The RDURP provides for the rehabilitation and redevelopment of the area generally described as the Salem riverfront and downtown.

(d) The City, acting by and through the Agency, created the Downtown Development Board in 1976 pursuant to Resolution No. 76-325 to advise the Board of the Urban Renewal Agency (Agency Board) in its administration of the RDURP.

(e) The City, acting by and through the Agency, subsequently amended Resolution No. 76-325 in 1979 to add the Pringle Creek Urban Renewal Area to the Downtown Development Board's jurisdiction (Resolution No. 79-35), in 1993 to change the composition of the Downtown Development Board, and renaming it the Downtown Development Advisory Board (Resolution Nos. 93-17, 93-34), and again in 1995 to reorganize the Board and to add the Walker Urban Renewal Area to the Board's jurisdiction. On October 18, 2001 the Walker Urban Renewal Plan was terminated and replaced with the West Salem Urban Renewal Plan (Ordinance No. 51-2001), and again in 2002 to change the Board's composition (Resolution No. 2002-54).

(f) On September 27, 1976, the City created by ordinance, codified in Salem Revised Code (SRC) Chapter 7, the Downtown Parking District for purposes of administering a program of economic promotion and a program of public parking for vehicles. Funds generated by the District are deposited into the Parking Fund. The City also created by ordinance, codified in SRC Chapter 7, the Downtown Parking Advisory Board for promotion of other modes of transportation.

g) The Downtown Development Advisory Board and Downtown Parking Advisory Board duties and responsibilities have resulted in both Boards addressing similar and interrelated issues for the downtown. Consolidating these Boards into a joint advisory board will give the downtown a unified voice, and will result in more efficient administration for both the City and the Agency.

(h) Recognizing the efficiencies in having a joint board that can advise both the Agency and the City, on December 6, 2004, the Agency passed Resolution No. 04-8 URA disbanding the Downtown Development Advisory Board, and on December 6, 2004, the City enacted ordinance No. 49-04 repealing the provisions in SRC Chapter 7 that created the Downtown Parking Advisory Board.

(i) On October 14, 2013, the Salem City Council adopted Resolution No. 2013-68, which adopted Initiative Petition No. 001-2013-IP. The effect of the resolution was to amend Salem Revised Code Chapter 7 to cap any increase in the Downtown Parking District annual assessment to the less of the percentage increase in the Portland, Oregon CPI for the preceding calendar year or 2%.

(j) On July 25, 2016, The Agency Board and the City Council, upon recommendation of the Boards and Commissions Appointment Committee, approved an amendment to this Agreement removing the ex-officio members of the Board (representing the Salem Planning Commission and Housing and Community Development Advisory Committee); modifying the six City Council appointments to change the representative of the Downtown Parking District to the Riverfront Downtown URA. Staff has also identified other necessary updates to references to the Salem Revised Code (SRC 2.1590 and 2.540).

(k) ORS 190.010 and ORS 457.320 authorize the City and the Agency, and the City and the Agency desire, to enter into an intergovernmental agreement providing for the creation of a joint advisory board, which will advise the Agency on matters related to urban renewal and tax increment fund allocations and advise the City on matters related to the Downtown Parking District and the Parking Fund.
