

How to Use Parking Pay Stations

1. Insert credit card, debit card, or coin and follow the on-screen instructions.
2. Add time using the yellow button (MAX or 1-Hour increments).
3. Purchase time and print receipt using the green print button.
4. Display the receipt on your vehicle dash.

Please Note

- Pay stations are located on each side of the street on each block if possible.
- If a pay station is broken, please use another one near you.
- Refer to block signage for maximum time stay information
- Visa, MasterCard, and coins are accepted
- Bills are not accepted
- Receipts must be placed inside the vehicle on the dash, with the date and time visible through the windshield.
- Motorcycles and Scooters should have receipts secured on or near the seat.
We recommend taking a cell phone photo of your parking receipt on the motorcycle/scooter as proof of payment if you fear it will be lost or stolen.
