

EAGLE'S VIEW INTERIM PARK IMPROVEMENTS AND PARK MASTER PLAN COMING IN 2019!

Interim Park Improvements Coming Summer 2019

Development of Eagle's View Park master plan is scheduled to begin in the winter of 2019. Prior to the plan's development, the City will undertake some interim park improvements this summer. These projects include adding a soft trail, picnic tables, pet-waste bag dispensers, and trash receptacles.

The City seeks volunteers to help create the soft trail. If you would like to participate in a work party to construct a wood chip trail around the park, please contact Parks Volunteer Coordinator, Tibby Larson. All materials and tools will be provided.
