GENERAL RESERVATION INFORMATION

Hours: The hours of the permittee's reservation use are stipulated on the agreement. **The user must adhere to the hours stated on the agreement, including the time necessary for setup and cleanup.** New reservations must be made by noon on the prior business day.

Reservation Changes: Once the permit has been filed, no changes in hours will be allowed less than five working days in advance of the scheduled use, **except in emergency cases.** Such exceptions must be approved by the Public Works Director or their designee.

The City reserves the right to cancel any scheduled or reserved park or facility due to unforeseen circumstances or emergency situations. If the reservation is canceled by the City, the applicant may choose a full refund or request to be rescheduled.

Changes to an existing reservation may result in a processing fee.

Refunds/Forfeiture of Fees: If a permit cancellation is made 30 days or more in advance of the reservation date, all fees except the processing fee will be returned to the permittee. This refund may take 4-6 weeks to process.

If a permit cancellation is made less than 30 days before the reservation date, all fees shall be forfeited.

No refunds will be granted on or after the date of scheduled use, whether or not the facility was used.

Liability: Depending on the type, size, and nature of the activity, the City may require the permittee to provide proof of insurance in an amount specified by the City's Risk Manager.

All persons and groups to whom this permit has been granted must agree to hold harmless and indemnify the City of Salem from any and all liability for injury to persons or property occurring as a result of this permit's activity, and agree to be liable to said City for any and all damage to any park, facility, building, equipment, and furniture owned or controlled by the City, which results from the activity of permittee or is caused by any participant in said activity.

The expenses resulting from any damage or maintenance that is above the normal level of service shall be charged to the permittee. Failure of the permittee to meet this obligation within 30 days of billing will be cause for cancellation of future privileges, as well as legal action.

NOTICE—Oregon law (ORS 105.682 et seq.) provides that the owner of land is not liable in contract or tort for injury or death or property damages that arise out of the use of the land for recreational purposes. That immunity from liability does not apply if the owner of land charges a fee for permission to use the land. The fee charged for the use of the facility listed on this form is for the use of the facility only. Any use of property located outside of the facility is not subject to charge, and therefore, the City of Salem is not liable for any injury, death, or property damage arising out of such use of property for which no specific charge has been made.

Security Services: Depending on the type, size, and nature of the event, the City may require the permittee to provide on-site security services. The number of security personnel will be determined by the City. The permittee will provide the City with a copy of the contract for on-site security services no later than sixty (60) days before the event. The contract for on-site security services must contain the following provisions:

Compliance with Facility Use Permit and Agreement. The security firm will comply with all requirements of this permit.

Indemnification. The security firm will indemnify, defend, save, and hold harmless the City of Salem, its officers, agents, employees, and volunteers from all claims, suits, or actions of whatsoever nature arising from or arising out of the activities or omissions of the security firm, its subcontractors, agents, or employees under the security contract with permittee.

The security firm will obtain and maintain a policy or policies of Commercial General or Comprehensive General and automobile liability insurance, which may not be canceled without 30 days notice to the City. The insurance limits will not be less than \$2,000,000 per occurrence for personal injury and property damage. The security firm will supply the City with a certificate of insurance listing the coverage and other requirements set out above.

No Agency. The security firm certifies that it is an independent contractor of the permittee and is not an employee, contractor, or agent of the City of Salem.

If permittee fails to provide the City with a copy of the on-site security services contract prior to the event, or the contract fails to set out the required provisions, then the City may terminate the Pringle Hall Permit and Agreement. In the event the security firm fails to perform and City services are required as a result, the permittee will be billed for the City-related services.

Alcohol: Alcoholic beverages must have an alcohol content of 14 percent or less, be packaged in less than kegs, and may be consumed only inside Pringle Hall.

Insurance: Under certain conditions, the permittee will be requested to provide a *Certificate of Insurance*, OLCC permit, or both. While rules, guidance, and personal discipline may reduce this risk, the risk of serious illness and death does exist. City of Salem cannot completely mitigate the transfer of communicable diseases like COVID-19 and understands there is some risk associated with using City facilities and assumes said risk. Use of City facilities includes possible exposure to and illness, injury, or death from infectious diseases including COVID-19. Permittee understands the hazards of COVID-19 and is familiar with the Centers for Disease Control Prevention ("CDC") guidelines; and federal, state, and local orders regarding COVID-19. Permittee acknowledges that it understands the circumstances regarding COVID-19 and will take all necessary precautions as provided by the CDC and federal, state, and local governments.

Private Gatherings (for events not open to the public). I agree as the Permittee and On-site Contact that all attendees will follow all applicable CDC, federal, state, county(ies) or City regulations, orders and guidance regarding COVID-19 on the date the permitted event takes places.

For events open to the public, as the Permittee and On-Site Contact, Permittee will produce a written safety plan consistent with all applicable CDC, federal, state, county(ies), or City COVID-19 regulations, orders or guidance, no less than 30 days prior to the event. The written safety plan must include how crowd control will be addressed, the number of event staff attending the event and identify staff training on applicable CDC, federal, state, and local regulations, guidelines or orders regarding COVID-19. Permittee is responsible to supply their staff, materials, supplies, and equipment to manage or support their written safety plan.

COVID-19 Termination. City of Salem reserves the right to terminate this Agreement immediately and without notice if it is found that Permittee has failed to follow any regulations, orders, or guidance as provided by the CDC and federal, state, county(ies) and City. Either the City or Permittee may cancel this Facility Use Permit for any COVID-19 related reason or if the event would conflict with any COVID-19 regulations, orders or guidance. Please refer to Page 3 of the Facility Use Permit regarding cancellations and refunds. Permittee also agrees to release, exonerate, discharge and hold harmless the City, its employees, officers, volunteers or agents from all liability, claims, causes of action, or demands arising out of injuries of any kind to which may result from or in connection with the use of City facilities.
