### Oregon Revised Statutes

ORS 197.180 (Probably not a criteria; referenced along with OAR 660 Divisions 30 and 31 as generally requiring that Comp Plan amendments are consistent with statewide planning goals; covered more directly through consistency requirements referenced above)  
[https://www.oregonlegislature.gov/bills\\_laws/ors/ors197.html](https://www.oregonlegislature.gov/bills_laws/ors/ors197.html) (same for all sections of 197 listed here)

ORS 197.298(1) (Criteria related to priority of lands considered for UGB amendments)

ORS 197.610 (Governs procedures for conducting post-acknowledgement plan amendments)

ORS 197.626 (Addresses procedures for the submission of land use decisions that expand a UGB or designate urban reserves; not an approval criteria per se)

ORS 197.628 to 197.650 (Also addresses procedures for expanding a UGB; not an approval criteria per se)

ORS 197.732(1)(c), Goal 2 Part II (Procedures referenced in relation to Goal exceptions, including requirements to demonstrate why the policies in Goal 15 should not apply and other aspects of the exception process).

ORS 197.763 (Procedures for public notice regarding a quasi-judicial hearing; not an approval criteria)

ORS 215.515(1) (Interim goals associated with the Willamette River Greenway; consistency required so possibly represents an approval criteria)
