Bryan, I am attaching materials from the Special Transit Board meeting held on October 10, 2016. I was present at this meeting and responded to questions. The materials included in the packet document past Transit District involvement in the Salem River Crossing Preferred Alternative.

In addition, I attended and presented to the Transit Board at least five additional times between 2012 and 2014, including the following:

Transit Board Meeting 6/28/2012
Transit Board Meeting 4/25/2013
Transit Board Work Session 12/9/2013
Transit Board Meeting 1/13/2014
Transit Board Meeting 4/24/2014

Additionally, the Preferred Alternative was included in the *2015-2035 Regional Transportation Systems Plan*, adopted by the SKATS Policy Committee May 26, 2015. Director Krebs was at the meeting and voted in favor of the Resolution adopting the RTSP. Updates were also provided to the SKATS Policy Committee at their meetings on January 26, June 28, and July 26, 2016. At the July 26th meeting, I announced the upcoming Council work session scheduled for August 1, 2016, and that a joint public hearing would likely be scheduled in mid-October. Finally, both I and Dan Fricke, ODOT Project Manager, attended a subcommittee of the Transit Board to discuss this project on August 23, 2016.
