Subject: Salem River Crossing (3rd Bridge) Urban Growth Boundary(UGB) Discussion/Decision

Hello,

I am against expanding the UGB unless, as the West Salem Neighborhood Association requested, you consider it in relation to that section which is needed for Marine Dr. That is, any discussion/decision of the UGB regarding the 3rd Bridge should be independent from decisions made regarding making Marine Dr more useful without the 3rd Bridge be considered.

Thanks for listening.
