

# Donate to the Historic and Public Archaeology Program

Help the City of Salem preserve and celebrate our historic and cultural resources through a tax-deductible donation. All gifts are tax deductible and allow individuals or groups to designate donations toward specific projects to enhance and improve preservation and education about Salem's History.

Donations can be made to support our active public archaeology project, uncovering the full history of the [Indian Manual Labor Training School](#) or to fund a historic plaque in honor of a person or group. Donations can also be made to create an interpretive panel in your neighborhood, or to help support special events or places such as our annual [Chinese Qing Ming Festival](#).

Thank you for your donation and support. Your donation makes a difference and leaves a legacy for the benefit of future generations through the City of Salem.

## How to Donate

Please contact the Historic Preservation Program Manager and City Archaeologist for more information:

[kfitzgerald@cityofsalem.net](mailto:kfitzgerald@cityofsalem.net) c. 971-718-7224
