Important Information

THIS IS NOT AN INSURED BENEFIT PLAN. THE BENEFITS DESCRIBED IN THIS BOOKLET OR ANY RIDER ATTACHED HERETO ARE SELF-INSURED BY CITY OF SALEM WHICH IS RESPONSIBLE FOR THEIR PAYMENT. CIGNA HEALTH AND LIFE INSURANCE COMPANY (CIGNA) PROVIDES CLAIM ADMINISTRATION SERVICES TO THE PLAN, BUT CIGNA DOES NOT INSURE THE BENEFITS DESCRIBED.

THIS DOCUMENT MAY USE WORDS THAT DESCRIBE A PLAN INSURED BY CIGNA. BECAUSE THE PLAN IS NOT INSURED BY CIGNA, ALL REFERENCES TO INSURANCE SHALL BE READ TO INDICATE THAT THE PLAN IS SELF-INSURED. FOR EXAMPLE, REFERENCES TO "CIGNA," "INSURANCE COMPANY," AND "POLICYHOLDER" SHALL BE DEEMED TO MEAN YOUR "EMPLOYER" AND "POLICY" TO MEAN "PLAN" AND "INSURED" TO MEAN "COVERED" AND "INSURANCE" SHALL BE DEEMED TO MEAN "COVERAGE."

Explanation of Terms

You will find terms starting with capital letters throughout your certificate. To help you understand your benefits, most of these terms are defined in the Definitions section of your certificate.

The Schedule

The Schedule is a brief outline of your maximum benefits which may be payable under your insurance. For a full description of each benefit, refer to the appropriate section listed in the Table of Contents.

Special Plan Provisions

When you select a Participating Provider, this plan pays a greater share of the costs than if you select a non-Participating Provider. Participating Providers include Physicians, Hospitals and Other Health Professionals and Other Health Care Facilities. Consult your Physician Guide for a list of Participating Providers in your area. Participating Providers are committed to providing you and your Dependents appropriate care while lowering medical costs.

Services Available in Conjunction With Your Medical Plan

The following pages describe helpful services available in conjunction with your medical plan. You can access these services by calling the toll-free number shown on the back of your ID card.

Prior Authorization

Except in the case of misrepresentation, prior authorization determinations shall be subject to the following requirements:

- Prior authorization determinations relating to benefit coverage and Medical Necessity shall be binding if obtained no more than 30 days prior to the date the service is provided.
- Prior authorization determinations relating to enrollee eligibility shall be binding if obtained no more than five business days prior to the date the service is provided.

Case Management

Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to

answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

- You, your dependent or an attending Physician can request Case Management services by calling the **toll-free number** shown on your ID card during normal business hours, Monday through Friday. In addition, your employer, a claim office or a utilization review program (see the PAC/CSR section of your certificate) may refer an individual for Case Management.
- The Review Organization assesses each case to determine whether Case Management is appropriate.
- You or your Dependent is contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.
- Following an initial assessment, the Case Manager works with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not penalized if the alternate treatment program is not followed.
- The Case Manager arranges for alternate treatment services and supplies, as needed (for example, nursing services or a Hospital bed and other Durable Medical Equipment for the home).
- The Case Manager also acts as a liaison between the insurer, the patient, his or her family and Physician as needed (for example, by helping you to understand a complex medical diagnosis or treatment plan).
- Once the alternate treatment program is in place, the Case Manager continues to manage the case to ensure the

treatment program remains appropriate to the patient's needs.

While participation in Case Management is strictly voluntary, Case Management professionals can offer quality, cost-effective treatment alternatives, as well as provide assistance in obtaining needed medical resources and ongoing family support in a time of need.

Additional Programs

We may, from time to time, offer or arrange for various entities to offer discounts, benefits, or other consideration to our members for the purpose of promoting the general health and well being of our members. We may also arrange for the reimbursement of all or a portion of the cost of services provided by other parties to the Policyholder. Contact us for details regarding any such arrangements.

HC-SPP3 04-10

Incentives to Participating Providers

Cigna continuously develops programs to help our customers access quality, cost-effective health care. Some programs include Participating Providers receiving financial incentives from Cigna for providing care to members in a way that meets or exceeds certain quality and/or cost-efficiency standards, when, in the Participating Provider's professional judgment, it is appropriate to do so within the applicable standard of care. For example, some Participating Providers could receive financial incentives for utilizing or referring you to alternative sites of care as determined by your plan rather than in a more expensive setting, or achieving particular outcomes for certain health conditions. Participating Providers may also receive purchasing discounts when purchasing certain prescription drugs from Cigna affiliates. Such programs can help make you healthier, decrease your health care costs, or both. These programs are not intended to affect your access to the health care that you need. We encourage you to talk to your Participating Provider if you have questions about whether they receive financial incentives from Cigna and whether those incentives apply to your care.

HC-SPP85 01-24

Care Management and Care Coordination Services

Your plan may enter into specific collaborative arrangements with health care professionals committed to improving quality care, patient satisfaction and affordability. Through these collaborative arrangements, health care professionals commit to proactively providing participants with certain care management and care coordination services to facilitate achievement of these goals. Reimbursement is provided at 100% for these services when rendered by designated health care professionals in these collaborative arrangements.

Important Information

Rebates and Other Payments

Cigna or its affiliates may receive rebates or other remuneration from pharmaceutical manufacturers in connection with certain Medical Pharmaceuticals covered

under your plan and Prescription Drug Products included on the Prescription Drug List. These rebates or remuneration are not obtained on you or your Employer's or plan's behalf or for your benefit.

Cigna, its affiliates and the plan are not obligated to pass these rebates on to you, or apply them to your plan's Deductible if any or take them into account in determining your Copayments and/or Coinsurance. Cigna and its affiliates or designees, conduct business with various pharmaceutical manufacturers separate and apart from this plan's Medical Pharmaceutical and Prescription Drug Product benefits. Such business may include, but is not limited to, data collection, consulting, educational grants and research. Amounts received from pharmaceutical manufacturers pursuant to such arrangements are not related to this plan. Cigna and its affiliates are not required to pass on to you, and do not pass on to you, such amounts.

Coupons, Incentives and Other Communications

At various times, Cigna or its designee may send mailings to you or your Dependents or to your Physician that communicate a variety of messages, including information about Medical Pharmaceuticals and Prescription Drug Products. These mailings may contain coupons or offers from pharmaceutical manufacturers that enable you or your Dependents, at your discretion, to purchase the described Medical Pharmaceutical and Prescription Drug Product at a discount or to obtain it at no charge. Pharmaceutical manufacturers may pay for and/or provide the content for these mailings. Cigna, its affiliates and the plan are not responsible in any way for any decision you make in connection with any coupon, incentive, or other offer you may receive from a pharmaceutical manufacturer or Physician.

OREGON NOTICE

Oregon law requires Cigna to provide written notice to the policyholder no later than 10 working days prior to the end of the grace period informing the policyholder that the premium was not received and that the policy will be terminated as of the premium due date if the premium is not received by the end of the applicable grace period. The notice will describe the medical Continuation and Conversion rights. By acceptance of the benefits of this policy, you and your Dependents are deemed to have consented to the examination of medical records by Cigna or its designee(s) for purposes of utilization review, quality assurance, and peer-review.

Discrimination is Against the Law

Cigna complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. Cigna does not exclude people or treat them differently because of race, color, national origin, age, disability or sex.

Cigna:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as
 - Qualified interpreters
 - Information written in other languages

If you need these services, contact customer service at the toll-free phone number shown on your ID card, and ask a Customer Service Associate for assistance.

If you believe that Cigna has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file a grievance by sending an email to ACAGrievance@cigna.com or by writing to the following address:

Federal CAA - Consolidated Appropriations Act and TIC - Transparency in Coverage Notice

Cigna will make available an internet-based self-service tool for use by individual customers, as well as certain data in machine-readable file format on a public website, as required under the Transparency in Coverage rule. Customers can access the cost estimator tool on myCigna.com. Updated machine-readable files can be found on Cigna.com and/or CignaForEmployers.com on a monthly basis.

Pursuant to Consolidated Appropriations Act (CAA), Section 106, Cigna will submit certain air ambulance claim information to the Department of Health and Human Services (HHS) in accordance with guidance issued by HHS.

Subject to change based on government guidance for CAA Section 204, Cigna will submit certain prescription drug and health care spending information to HHS through Plan Lists Files (P1-P3) and Data Files (D1-D8) (D1-D2) for an Employer without an integrated pharmacy product aggregated at the market segment and state level, as outlined in guidance.

HC-IMP353

01-24

Federal CAA - Consolidated Appropriations Act Continuity of Care

In certain circumstances, if you are receiving continued care from an in-network provider or facility, and that provider's network status changes from in-network to out-of-network, you may be eligible to continue to receive care from the provider at the in-network cost-sharing amount for up to 90 days from the date you are notified of your provider's termination. A continuing care patient is an individual who is:

- undergoing a course of treatment for a serious and complex condition from the provider or facility.
- pregnant and undergoing treatment for the pregnancy from the provider or facility.

- undergoing a course of institutional or inpatient care from the provider or facility.
- scheduled to undergo non-elective surgery, including receipt of post-operative care with respect to such a surgery.
- determined to be terminally ill and is receiving treatment for such illness from the provider or facility.

If applicable, Cigna will notify you of your continuity of care options.

Appeals

Any external review process available under the plan will apply to any adverse determination regarding claims subject to the No Surprises Act.

Provider Directories and Provider Networks

A list of network providers is available to you, without charge, by visiting the website or calling the phone number on your ID card. The network consists of providers, including Hospitals, of varied specialties as well as generic practice, affiliated or contracted with Cigna or an organization contracting on its behalf.

A list of network pharmacies is available to you, without charge, by visiting the website or calling the phone number on your ID card. The network consists of pharmacies affiliated or contracted with Cigna or an organization contracting on its behalf.

Provider directory content is verified and updated, and processes are established for responding to provider network status inquiries, in accordance with applicable requirements of the No Surprises Act.

If you rely on a provider's in-network status in the provider directory or by contacting Cigna at the website or phone number on your ID card to receive covered services from that provider, and that network status is incorrect, then your plan cannot impose out-of-network cost shares to that covered service. In-network cost share must be applied as if the covered service were provided by an in-network provider.

Direct Access to Obstetricians and Gynecologists

You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals

who specialize in obstetrics or gynecology, access the website or call the phone number on your ID card.

Selection of a Primary Care Provider

This plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. For children, you may designate a pediatrician as the primary care provider. For information on how to select a primary care provider, and for a list of the participating primary care providers, access the website or call the phone number on your ID card.

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider at an in-network Hospital or ambulatory surgical center, you are protected from balance billing. In these situations, you should not be charged more than your plan's copayments, coinsurance, and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that is not in your health plan's network.

"Out-of-network" means providers and facilities that have not signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "**balance billing**". This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you cannot control who is involved in your care – such as when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You are protected from balance billing for:

- **Emergency services** – If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as a copayments, coinsurance, and deductibles). You cannot be balanced billed for these emergency services. This includes

services you may get after you are in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

- **Certain non-emergency services at an in-network Hospital or ambulatory surgical center** – When you get services from an in-network Hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **cannot** balance bill you and may not ask you to give up your protections not to be balanced billed.

If you get other types of services at these in-network facilities, out-of-network providers **cannot** balance bill you, unless you give written consent and give up your protections.

You are never required to give up your protections from balance billing. You also are not required to get out-of-network care. You can choose a provider or facility in your plan's network.

When balance billing is not allowed, you have these protections:

- You are only responsible for paying your share of the cost (such as copayments, coinsurance, and deductibles that you would pay if the provider were in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Generally, your health plan must:
 - Cover emergency services without requiring you to get approval in advance for services (also known as prior authorization).
 - Cover emergency services provided by out-of-network providers.
 - Base what you owe the provider or facility (cost sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits (EOB).
 - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you have been wrongly billed, contact Cigna at the phone number on your ID card. You can also contact No Surprises Help Desk at 1-800-985-3059 or

www.cms.gov/nosurprises for more information about your rights under federal law.

Mental Health Parity and Addiction Equity Act of 2008 (MHPAEA) - Non-Quantitative Treatment Limitations (NQTLs)

Federal MHPAEA regulations provide that a plan cannot impose a Non-Quantitative Treatment Limitation (NQTL) on mental health or substance use disorder (MH/SUD) benefits in any classification unless the processes, strategies, evidentiary standards, or other factors used in applying the NQTL to MH/SUD benefits are comparable to, and are applied no more stringently than, those used in applying the NQTL to medical/surgical benefits in the same classification of benefits as written and in operation under the terms of the plan.

A description of your plan's NQTL methodologies and processes applied to medical/surgical benefits and MH/SUD benefits is available by accessing the link at www.cigna.com/sp.

To determine which document applies to your plan, select the relevant health plan product; medical management model (inpatient only or inpatient and outpatient) which can be located in this booklet immediately following The Schedule; and pharmacy coverage (whether or not your plan includes pharmacy coverage).

How To File Your Claim

There's no paperwork for In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to Cigna for reimbursement. Out-of-Network claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on your identification card or by using the toll-free number on your identification card.

CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT/GROUP NUMBER WHEN YOU FILE CIGNA'S CLAIM FORMS, OR WHEN YOU CALL YOUR CIGNA CLAIM OFFICE.

YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.

YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.

- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

Timely Filing of Out-of-Network Claims

Cigna will consider claims for coverage under our plans when proof of loss (a claim) is submitted within 180 days for Out-of-Network benefits after services are rendered. If services are rendered on consecutive days, such as for a Hospital Confinement, the limit will be counted from the last date of service. If claims are not submitted within 180 days for Out-of-Network benefits, the claim will not be considered valid and will be denied.

WARNING: Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

Eligibility - Effective Date

Employee Insurance

This plan is offered to you as an Employee.

Eligibility for Employee Insurance

You will become eligible for insurance on the day you complete the waiting period if:

- you are in a Class of Eligible Employees; and
- you are an eligible, full-time Employee; and
- you normally work at least 20 hours a week; and
- you pay any required contribution.

If you were previously insured and your insurance ceased, you must satisfy the Waiting Period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within one year after your insurance ceased.

Eligibility for Dependent Insurance

You will become eligible for Dependent Insurance on the later of:

- the day you become eligible for yourself; or
- the day you acquire your first Dependent.

Waiting Period

The first day of the month following 30 days from date of hire.

Classes of Eligible Employees

Each Employee as reported to the insurance company by your Employer.

Effective Date of Employee Insurance

You will become insured on the date you elect the insurance by signing an approved payroll deduction or enrollment form, as applicable, but no earlier than the date you become eligible.

You will become insured on your first day of eligibility, following your election, if you are in Active Service on that date, or if you are not in Active Service on that date due to your health status.

Late Entrant - Employee

You are a Late Entrant if:

- you elect the insurance more than 30 days after you become eligible; or
- you again elect it after you cancel your payroll deduction (if required).

Dependent Insurance

For your Dependents to be insured, you will have to pay the required contribution, if any, toward the cost of Dependent Insurance.

Effective Date of Dependent Insurance

Insurance for your Dependents will become effective on the date you elect it by signing an approved payroll deduction form (if required), but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

Your Dependents will be insured only if you are insured.

Late Entrant – Dependent

You are a Late Entrant for Dependent Insurance if:

- you elect that insurance more than 30 days after you become eligible for it; or
- you again elect it after you cancel your payroll deduction (if required).

Exception for Newborns

Any Dependent child born while you are insured will become insured on the date of his birth if you elect Dependent Insurance no later than 31 days after his birth. If you do not elect to insure your newborn child within such 31 days, coverage for that child will end on the 31st day. No benefits for expenses incurred beyond the 31st day will be payable.

Important Information About Your Medical Plan

Details of your medical benefits are described on the following pages.

Opportunity to Select a Primary Care Physician

This medical plan does not require that you select a Primary Care Physician or obtain a referral from a Primary Care Physician in order to receive all benefits available to you under this medical plan. Notwithstanding, a Primary Care Physician may serve an important role in meeting your health care needs by providing or arranging for medical care for you and your Dependents. For this reason, we encourage the use of Primary Care Physicians and provide you with the opportunity to select a Primary Care Physician from a list provided by Cigna for yourself and your Dependents. If you choose to select a Primary Care Physician, the Primary Care Physician you select for yourself may be different from the Primary Care Physician you select for each of your Dependents. If you need assistance selecting your Primary Care Physician, please visit our website at www.cigna.com or call the number on the back of your ID Card.

The Primary Care Physician's role is to provide or arrange for medical care for you and any of your Dependents.

You and your Dependents are allowed direct access to Participating Physicians for covered services. Even if you

select a Primary Care Physician, there is no requirement to obtain an authorization of care from your Primary Care Physician for visits to the Participating Physician of your choice, including Participating Specialist Physicians, for covered services.

Changing Primary Care Physicians

You may request a transfer from one Primary Care Physician to another by visiting our website at www.cigna.com or calling the number on the back of your ID Card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed.

In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, you or your Dependent will be notified for the purpose of selecting a new Primary Care Physician, if you choose.

Direct Access For Mental Health and Substance Use Disorder Services

You are allowed direct access to a licensed/certified Participating Provider for covered Mental Health and Substance Use Disorder Services. There is no requirement to obtain an authorization of care from your Primary Care Physician for individual or group therapy visits to the Participating Provider of your choice for Mental Health and Substance Use Disorder.

Open Access Plus Medical Benefits The Schedule

For You and Your Dependents

Open Access Plus Medical Benefits provide coverage for care In-Network and Out-of-Network. To receive Open Access Plus Medical Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for services and supplies. That portion is the Copayment, Deductible or Coinsurance.

When you receive services from an In-Network Provider, remind your provider to utilize In-Network Providers for x-rays, lab tests and other services to ensure the cost may be considered at the In-Network level.

If you are unable to locate an In-Network Provider in your area who can provide you with a service or supply that is covered under this plan, you must call the number on the back of your I.D. card to obtain authorization for Out-of-Network Provider coverage. If you obtain authorization for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.

Important Notice on Mental Health and Substance Use Disorder Coverage

Covered medical services received to diagnose or treat a Mental Health or Substance Use Disorder condition will be payable according to the Mental Health and Substance Use Disorder sections of The Schedule.

Coinsurance

The term Coinsurance means the percentage of Covered Expenses that an insured person is required to pay under the plan in addition to the Deductible, if any.

Copayments/Deductibles

Copayments are amounts to be paid by you or your Dependent for covered services. Deductibles are Covered Expenses to be paid by you or your Dependent before benefits are payable under this plan. Deductible amounts are separate from and not reduced by Copayments. Copayments and Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached, you and your family need not satisfy any further medical deductible for the rest of that year.

Out-of-Pocket Expenses - For In-Network Charges Only

Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan because of any Deductibles, Copayments or Coinsurance. Such Covered Expenses accumulate to the Out-of-Pocket Maximum shown in The Schedule. When the Out-of-Pocket Maximum is reached, all Covered Expenses, except charges for non-compliance penalties, are payable by the benefit plan at 100%.

Open Access Plus Medical Benefits

The Schedule

Out-of-Pocket Expenses - For Out-of-Network Charges Only

Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan. The following Expenses contribute to the Out-of-Pocket Maximum, and when the Out-of-Pocket Maximum shown in The Schedule is reached, they are payable by the benefit plan at 100%:

- Coinsurance.
- Plan Deductible.

The following Out-of-Pocket Expenses and charges do not contribute to the Out-of-Pocket Maximum, and they are not payable by the benefit plan at 100% when the Out-of-Pocket Maximum shown in The Schedule is reached:

- Non-compliance penalties.
- Any copayments and/or benefit deductibles.
- Provider charges in excess of the Maximum Reimbursable Charge.

Accumulation of Plan Deductibles and Out-of-Pocket Maximums

Deductibles and Out-of-Pocket Maximums will cross-accumulate (that is, In-Network will accumulate to Out-of-Network and Out-of-Network will accumulate to In-Network). All other plan maximums and service-specific maximums (dollar and occurrence) also cross-accumulate between In- and Out-of-Network unless otherwise noted.

Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

Assistant Surgeon and Co-Surgeon Charges

Assistant Surgeon

The maximum amount payable will be limited to charges made by an assistant surgeon that do not exceed a percentage of the surgeon's allowable charge as specified in Cigna Reimbursement Policies. (For purposes of this limitation, allowable charge means the amount payable to the surgeon prior to any reductions due to coinsurance or deductible amounts.)

Co-Surgeon

The maximum amount payable for charges made by co-surgeons will be limited to the amount specified in Cigna Reimbursement Policies.

Out-of-Network Charges for Certain Services

Charges for services furnished by an Out-of-Network provider in an In-Network facility while you are receiving In-Network services at that In-Network facility: (i) are payable at the In-Network cost-sharing level; and (ii) the allowable amount used to determine the Plan's benefit payment is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or Federal law.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Open Access Plus Medical Benefits

The Schedule

Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the In-Network cost-sharing level if services are received from a non-Participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or Federal law.
3. The allowable amount used to determine the Plan's benefit payment when Out-of-Network Emergency Services result in an inpatient admission is the median amount negotiated with In-Network facilities.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Out-of-Network Air Ambulance Services Charges

1. Covered air ambulance services are payable at the In-Network cost-sharing level if services are received from a non-Participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered air ambulance services rendered by an Out-of-Network provider is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or Federal law.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

Open Access Plus Medical Benefits

Certification Requirements - Out-of-Network

For You and Your Dependents

Pre-Admission Certification/Continued Stay Review for Hospital Confinement

Pre-Admission Certification (PAC) and Continued Stay Review (CSR) refer to the process used to certify the Medical Necessity and length of a Hospital Confinement when you or your Dependent require treatment in a Hospital:

- as a registered bed patient, except for 48/96 hour maternity stays;
- for Mental Health or Substance Use Disorder Residential Treatment Services.

You or your Dependent should request PAC prior to any non-emergency treatment in a Hospital described above. In the case of an emergency admission, you should contact the Review Organization within 48 hours after the admission. For an admission due to pregnancy, you should call the Review Organization by the end of the third month of pregnancy. CSR should be requested, prior to the end of the certified length of stay, for continued Hospital Confinement.

Covered Expenses incurred will not include the first \$750 of Hospital charges made for each separate admission to the Hospital unless PAC is received: prior to the date of admission; or in the case of an emergency admission, within 48 hours after the date of admission.

Covered Expenses incurred for which benefits would otherwise be payable under this plan for the charges listed below will not include:

- Hospital charges for Room and Board, for treatment listed above for which PAC was performed, which are made for any day in excess of the number of days certified through PAC or CSR; and
- any Hospital charges for treatment listed above for which PAC was requested, but which was not certified as Medically Necessary.

PAC and CSR are performed through a utilization review program by a Review Organization with which Cigna has contracted.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Outpatient Certification Requirements – Out-of-Network

Outpatient Certification refers to the process used to certify the Medical Necessity of outpatient procedures, including, but not limited to, those listed in this section when performed as an outpatient in a Free-Standing Surgical Facility, Other Health Care Facility or a Physician's office. You or your Dependent should call the toll-free number on the back of your I.D. card to determine if Outpatient Certification is required prior to any outpatient procedures. Outpatient Certification is performed through a utilization review program by a Review Organization with which Cigna has contracted. Outpatient Certification should only be requested for non-emergency procedures or services, and should be requested by you or your Dependent at least four working days (Monday through Friday) prior to having the procedure performed or the service rendered.

Covered Expenses incurred will not include the first \$750 for charges made for any outpatient procedure performed unless Outpatient Certification is received prior to the date the testing or procedure is performed.

Covered Expenses incurred will not include expenses incurred for charges made for outpatient procedures for which Outpatient Certification was performed, but, which was not certified as Medically Necessary.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Outpatient Procedures

Including, but not limited to:

- Medical Pharmaceuticals.
- Radiation Therapy.

VI

Home Health Care Services

Charges for skilled care provided by certain health care providers during a visit to the home, when the home is determined to be a medically appropriate setting for the services. A visit is defined as a period of 2 hours or less. Home Health Care Services are subject to a maximum of 16 hours in total per day.

Home Health Care Services are covered when skilled care is required under any of the following conditions:

- the required skilled care cannot be obtained in an outpatient facility.
- confinement in a Hospital or Other Health Care Facility is not required.
- the patient's home is determined by Cigna to be the most medically appropriate place to receive specific services.

Covered services include:

- skilled nursing services provided by a Registered Nurse (RN), Licensed Practical Nurse (LPN), Licensed Vocational Nurse (LVN) and an Advanced Practice Registered Nurse (APRN).
- services provided by health care providers such as physical therapist, occupational therapist and speech therapist.
- services of a home health aide when provided in direct support of those nurses and health care providers.
- necessary consumable medical supplies and home infusion therapy administered or used by a health care provider.

Note: Physical, occupational, and other Outpatient Therapy Services provided in the home are covered under the Outpatient Therapy Services benefit shown in The Schedule.

The following are excluded from coverage:

- services provided by a person who is a member of the patient's family, even when that person is a health care provider.
- services provided by a person who normally resides in the patient's house, even when that person is a health care provider.
- non-skilled care, Custodial Services, and assistance in the activities of daily living, including but not limited to eating, bathing, dressing or other services; self-care activities; homemaker services; and services primarily for rest, domiciliary or convalescent care.

Home Health Care Services, for a patient who is dependent upon others for non-skilled care and/or Custodial Services, is provided only when there is a family member or caregiver

present in the home at the time of the health care visit to provide the non-skilled care and/or Custodial Services.

Hospice Care Services

Charges for services for a person diagnosed with advanced illness having a life expectancy of twelve or fewer months. Services provided by a Hospice Care Program are available to those who have ceased treatment and to those continuing to receive curative treatment and therapies.

Hospice Care Programs rendered by Hospice Facilities or Hospitals include services:

- by a Hospice Facility for Room and Board and Services and Supplies;
- by a Hospice Facility for services provided on an outpatient basis;
- by a Physician for professional services;
- by a Psychologist, social worker, family counselor or ordained minister for individual and family counseling;
- for pain relief treatment, including drugs, medicines and medical supplies;

Hospice Care Programs rendered by Other Health Care Facilities or in the Home include services:

- for part-time or intermittent nursing care by or under the supervision of a Nurse;
- for part-time or intermittent services of an Other Health Professional;
- physical, occupational and speech therapy;
- medical supplies;
- drugs and medicines lawfully dispensed only on the written prescription of a Physician;
- laboratory services;
but only to the extent such charges would have been payable under the policy if the person had remained or been Confined in a Hospital or Hospice Facility.

The following charges for Hospice Care Services are not included as Covered Expenses:

- services of a person who is a member of your family or your Dependent's family or who normally resides in your house or your Dependent's house;

- services for any period when you or your Dependent is not under the care of a Physician;
- services or supplies not listed in the Hospice Care Program;
- to the extent that any other benefits are payable for those expenses under the policy;
- services or supplies that are primarily to aid you or your Dependent in daily living.

Mental Health and Substance Use Disorder Services

The plan covers charges for mental health and substance use disorder services.

Mental Health Disorders are conditions which consider the following factors as defined in the current version of the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders (DSM):

- a behavioral or psychological syndrome or pattern that occurs in an individual.
- reflects an underlying psychobiological dysfunction.
- the consequences of which are clinically significant distress (such as a painful symptom) or disability (such as impairment in one or more important areas of functioning).
- must not be merely an expected response to common stressors and losses (such as loss of a loved one) or a culturally sanctioned response to a particular event (such as trance states in religious rituals).
- primarily a result of social deviance or conflicts with society.

Substance Use Disorders involve patterns of symptoms caused by using a substance that an individual continues taking despite its negative effects, considering the following factors as defined in the current version of the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders (DSM):

- using more of a substance than intended or using it for longer than a person is meant to use it.
- trying to cut down or stop using the substance, but unable to do so.
- experiencing intense cravings or urges to use the substance.
- needing more of the substance to get a desired effect, also referred to as tolerance.

- developing withdrawal symptoms when not using the substance.
- spending more time getting and using drugs and recovering from substance use.
- neglecting responsibilities at home, work, or school because of substance use.
- continuing to use the substance despite the substance causing problems to physical or mental health.
- giving up important or desirable social and recreational activities due to substance use.
- using substances in risky settings that put you or your Dependent in danger.

Inpatient Mental Health Services (including Mental Health Acute Inpatient Services and Mental Health Residential Treatment Services)

Mental Health Acute Inpatient Services are services provided by a Hospital while you or your Dependent are Confined in a Hospital for evaluation and treatment of an acute Mental Health Disorder.

Mental Health Residential Treatment Services are services provided by a Hospital or Mental Health Residential Treatment Center while you or your Dependent are Confined in a Hospital or Residential Treatment Center for the evaluation and treatment of a subacute Mental Health Disorder.

Mental Health Residential Treatment Center means an institution which specializes in the treatment of psychological and social disturbances that are the result of a Mental Health Disorder; provides a subacute, structured, psychotherapeutic treatment program, under the supervision of Physicians; provides 24-hour care, in which a person lives in an open setting; and is licensed in accordance with the laws of the appropriate legally authorized agency as a Mental Health Residential Treatment Center.

Outpatient Mental Health Services (including Mental Health Partial Hospitalization and Mental Health Intensive Outpatient Services)

Outpatient Mental Health Services are services provided by providers who are licensed or certified in accordance with the laws of the appropriate legally authorized agency and qualified to treat Mental Health Disorders when treatment is provided on an outpatient basis, while you or your Dependent are not Confined in a Hospital or Mental Health Residential Treatment Center, for evaluation and treatment of a Mental Health Disorder.

Mental Health Partial Hospitalization Services are active, time-limited, ambulatory mental health treatment programs that offer therapeutically intensive, structured, and coordinated clinical services for Mental Health Disorders, similar in intensity to that provided in an Inpatient Hospital or Mental Health Residential Treatment Center, but for individuals who can maintain personal safety with support systems in the community.

Mental Health Intensive Outpatient Services are active, time-limited, ambulatory mental health treatment programs that offer structured and coordinated, multi-disciplinary clinical services for Mental Health Disorders for individuals who can maintain personal safety with support systems in the community, and who can maintain some ability to fulfill family, student or work activities.

Inpatient Substance Use Disorder Services (including Acute Inpatient Detoxification, Substance Use Disorder Inpatient Rehabilitation, Substance Use Disorder Residential Treatment Services)

Acute Inpatient Detoxification Services are services provided by a Hospital or Substance Use Disorder Residential Treatment Center for around-the-clock, intensive management and monitoring of individuals requiring acute detoxification as the initial phase of evaluation and treatment for a Substance Use Disorder.

Substance Use Disorder Inpatient Treatment Services are services provided by a Hospital while you or your Dependent are Confined in a Hospital for evaluation and treatment of an acute Substance Use Disorder.

Substance Use Disorder Residential Treatment Services are services provided by a Hospital or Substance Use Disorder Residential Treatment Center while you or your Dependent are Confined in a Hospital or Residential Treatment Center for evaluation and treatment of a subacute Substance Use Disorder.

Substance Use Disorder Residential Treatment Center means an institution which specializes in the treatment of psychological and social disturbances that are the result of a Substance Use Disorder; provides a subacute, structured, psychotherapeutic treatment program, under the supervision of Physicians; provides 24-hour care, in which a person lives in an open setting; and is licensed in accordance with the laws of the appropriate legally authorized agency as a Substance Use Disorder Residential Treatment Center.

Outpatient Substance Use Disorder Rehabilitation Services (including Outpatient Detoxification, Substance Use

Disorder Partial Hospitalization, and Substance Use Disorder Intensive Outpatient Services)

Outpatient Substance Use Disorder Services are services provided by providers who are licensed or certified in accordance with the laws of the appropriate legally authorized agency and qualified to treat Substance Use Disorders when treatment is provided on an outpatient basis, while you or your Dependent are not Confined in a Hospital or Substance Use Disorder Residential Treatment Center, for evaluation and treatment of a Substance Use Disorder.

Substance Use Disorder Partial Hospitalization Services are active, time-limited, ambulatory substance use disorder treatment programs that offer therapeutically intensive, structured, and coordinated clinical services for Substance Use Disorders, similar in intensity to that provided in an Inpatient Hospital or Substance Use Disorder Residential Treatment Center, but for individuals who can maintain personal safety with support systems in the community.

Substance Use Disorder Intensive Outpatient Services are active, time-limited, ambulatory substance use disorder treatment programs that offer structured and coordinated, multi-disciplinary clinical services for Substance Use Disorders for individuals who can maintain personal safety with support systems in the community, and who can maintain some ability to fulfill family, student or work activities.

Substance Use Disorder Detoxification Services are services provided for daily, active comprehensive management and monitoring of individuals requiring detoxification as part of evaluation and treatment of a Substance Use Disorder, but that do not require a person to be Confined in a Hospital or Substance Use Disorder Residential Treatment Center.

Durable Medical Equipment

- charges made for purchase or rental of Durable Medical Equipment that is ordered or prescribed by a Physician and provided by a vendor approved by Cigna for use outside a Hospital or Other Health Care Facility. Coverage for repair, replacement or duplicate equipment is provided only when required due to anatomical change and/or reasonable wear and tear. All maintenance and repairs that result from a person's misuse are the person's responsibility.

Durable Medical Equipment is defined as items which are designed for and able to withstand repeated use by more than

one person; customarily serve a medical purpose; generally are not useful in the absence of Injury or Sickness; are appropriate for use in the home; and are not disposable. Such equipment includes, but is not limited to, crutches, hospital beds, ventilators, insulin pumps and wheel chairs.

Durable Medical Equipment items that are not covered include but are not limited to those that are listed below:

- **Bed Related Items:** bed trays, over the bed tables, bed wedges, pillows, custom bedroom equipment, mattresses, including nonpower mattresses, custom mattresses and posturepedic mattresses.
- **Bath Related Items:** bath lifts, nonportable whirlpools, bathtub rails, toilet rails, raised toilet seats, bath benches, bath stools, hand held showers, paraffin baths, bath mats, and spas.
- **Fixtures to Real Property:** ceiling lifts and wheelchair ramps.
- **Car/Van Modifications.**
- **Air Quality Items:** room humidifiers, vaporizers and air purifiers.
- **Other Equipment:** centrifuges, needleless injectors, heat lamps, heating pads, cryounits, cryotherapy machines, ultraviolet cabinets, that emit Ultraviolet A (UVA) rays sheepskin pads and boots, postural drainage board, AC/DC adaptors, scales (baby and adult), stair gliders, elevators, saunas, cervical and lumbar traction devices, exercise equipment and diathermy machines.

External Prosthetic Appliances and Devices

- charges made or ordered by a Physician for: the initial purchase and fitting of external prosthetic appliances and devices available only by prescription which are necessary for the alleviation or correction of Injury, Sickness or congenital defect.

External prosthetic appliances and devices include prostheses/prosthetic appliances and devices; orthoses and orthotic devices; braces; and splints.

Prostheses/Prosthetic Appliances and Devices

Prostheses/prosthetic appliances and devices are defined as fabricated replacements for missing body parts. Prostheses/prosthetic appliances and devices include, but are not limited to:

- limb prostheses;
- terminal devices such as hands or hooks;
- speech prostheses; and
- facial prostheses.

Orthoses and Orthotic Devices

Orthoses and orthotic devices are defined as orthopedic appliances or apparatuses used to support, align, prevent or correct deformities. Coverage is provided for custom foot orthoses and other orthoses as follows:

- Non-foot orthoses – only the following non-foot orthoses are covered:
 - rigid and semi-rigid custom fabricated orthoses;
 - semi-rigid prefabricated and flexible orthoses; and
 - rigid prefabricated orthoses including preparation, fitting and basic additions, such as bars and joints.
- Custom foot orthoses – custom foot orthoses are only covered as follows:
 - for persons with impaired peripheral sensation and/or altered peripheral circulation (e.g. diabetic neuropathy and peripheral vascular disease);
 - when the foot orthosis is an integral part of a leg brace and is necessary for the proper functioning of the brace;
 - when the foot orthosis is for use as a replacement or substitute for missing parts of the foot (e.g. amputated toes) and is necessary for the alleviation or correction of Injury, Sickness or congenital defect; and
 - for persons with neurologic or neuromuscular condition (e.g. cerebral palsy, hemiplegia, spina bifida) producing spasticity, malalignment, or pathological positioning of the foot and there is reasonable expectation of improvement.

The following are specifically excluded orthoses and orthotic devices:

- prefabricated foot orthoses;
- cranial banding and/or cranial orthoses. Other similar devices are excluded except when used postoperatively for synostotic plagiocephaly. When used for this indication, the cranial orthosis will be subject to the limitations and

maximums of the External Prosthetic Appliances and Devices benefit;

- orthosis shoes, shoe additions, procedures for foot orthopedic shoes, shoe modifications and transfers;
- non-foot orthoses primarily used for cosmetic rather than functional reasons; and
- non-foot orthoses primarily for improved athletic performance or sports participation.

Braces

A Brace is defined as an orthosis or orthopedic appliance that supports or holds in correct position any movable part of the body and that allows for motion of that part.

The following braces are specifically excluded: Copes scoliosis braces.

Splints

A Splint is defined as an appliance for preventing movement of a joint or for the fixation of displaced or movable parts.

Coverage for replacement of external prosthetic appliances and devices is limited to the following:

- replacement due to regular wear. Replacement for damage due to abuse or misuse by the person will not be covered.
- replacement required because anatomic change has rendered the external prosthetic appliance or device ineffective. Anatomic change includes significant weight gain or loss, atrophy and/or growth.
- replacement due to a surgical alteration or revision of the impacted site.

Coverage for replacement is limited as follows:

- no more than once every 24 months for persons 19 years of age and older.
- no more than once every 12 months for persons 18 years of age and under.

The following are specifically excluded external prosthetic appliances and devices:

- external and internal power enhancements for external prosthetic devices; or
- microprocessor controlled prostheses and orthoses; and
- myoelectric prostheses and orthoses.

Outpatient Therapy Services

Charges for the following therapy services:

Cognitive Therapy, Occupational Therapy, Osteopathic Manipulation, Physical Therapy, Pulmonary Rehabilitation, Speech Therapy

- Charges for therapy services are covered when provided as part of a program of treatment.

Cardiac Rehabilitation

- Charges for Phase II cardiac rehabilitation provided on an outpatient basis following diagnosis of a qualifying cardiac condition when Medically Necessary. Phase II is a Hospital-based outpatient program following an inpatient Hospital discharge. The Phase II program must be Physician directed with active treatment and EKG monitoring.

Phase III and Phase IV cardiac rehabilitation is not covered. Phase III follows Phase II and is generally conducted at a recreational facility primarily to maintain the patient's status achieved through Phases I and II. Phase IV is an advancement of Phase III which includes more active participation and weight training.

Chiropractic Care Services

- Charges for diagnostic and treatment services utilized in an office setting by chiropractic Physicians. Chiropractic treatment includes the conservative management of acute neuromusculoskeletal conditions through manipulation and ancillary physiological treatment rendered to specific joints to restore motion, reduce pain, and improve function. For these services you have direct access to qualified chiropractic Physicians.

Coverage is provided when Medically Necessary in the most medically appropriate setting to:

- Restore function (called "rehabilitative"):
 - To restore function that has been impaired or lost.
 - To reduce pain as a result of Sickness, Injury, or loss of a body part.
- Improve, adapt or attain function (sometimes called "habilitative"):
 - To improve, adapt or attain function that has been impaired or was never achieved as a result of congenital abnormality (birth defect).
 - To improve, adapt or attain function that has been impaired or was never achieved because of mental health and substance use disorder conditions. Includes conditions such as autism and intellectual disability, or

mental health and substance use disorder conditions that result in a developmental delay.

Coverage is provided as part of a program of treatment when the following criteria are met:

- The individual's condition has the potential to improve or is improving in response to therapy, and maximum improvement is yet to be attained.
- There is an expectation that the anticipated improvement is attainable in a reasonable and generally predictable period of time.
- The therapy is provided by, or under the direct supervision of, a licensed health care professional acting within the scope of the license.
- The therapy is Medically Necessary and medically appropriate for the diagnosed condition.

Coverage for occupational therapy is provided only for purposes of enabling individuals to perform the activities of daily living after an Injury or Sickness.

Therapy services that are not covered include:

- sensory integration therapy.
- treatment of dyslexia.
- maintenance or preventive treatment provided to prevent recurrence or to maintain the patient's current status.
- charges for Chiropractic Care not provided in an office setting.
- vitamin therapy.

Coverage is administered according to the following:

- Multiple therapy services provided on the same day constitute one day of service for each therapy type.

Breast Reconstruction and Breast Prostheses

- charges made for reconstructive surgery following a mastectomy; benefits include: surgical services for reconstruction of the breast on which surgery was performed; surgical services for reconstruction of the non-diseased breast to produce symmetrical appearance; postoperative breast prostheses; and mastectomy bras and prosthetics, limited to the lowest cost alternative available that meets prosthetic placement needs. During all stages of mastectomy, treatment of physical complications, including lymphedema therapy, are covered.

Reconstructive Surgery

- charges made for reconstructive surgery or therapy to repair or correct a severe physical deformity or disfigurement which is accompanied by functional deficit; (other than abnormalities of the jaw or conditions related to TMJ disorder) provided that: the surgery or therapy restores or improves function; reconstruction is required as a result of Medically Necessary, non-cosmetic surgery; or the surgery or therapy is performed prior to age 19 and is required as a result of the congenital absence or agenesis (lack of formation or development) of a body part. Repeat or subsequent surgeries for the same condition are covered only when there is the probability of significant additional improvement as determined by the utilization review Physician.

HC-COV631

12-17

Craniofacial Abnormalities

- charges made for dental and orthodontic services for the treatment of Craniofacial Anomalies if the services are Medically Necessary to restore function.

Coverage does not include the treatment of:

- developmental maxillofacial conditions that result in overbite, crossbite, malocclusion or similar developmental irregularities of the teeth; or
- temporomandibular joint disorder.

Craniofacial Anomaly means a physical disorder identifiable at birth that affects the bony structures of the face or head, including but not limited to cleft palate, cleft lip, craniosynostosis, craniofacial microsomia and Treacher Collins syndrome.

Transplant Services and Related Specialty Care

Charges approved by medical management for human organ and tissue transplant services including solid organ and bone marrow/stem cell procedures at Cigna LifeSOURCE Transplant Network® facilities throughout the United States or its territories subject to the following conditions and limitations.

Transplant services include the recipient's medical, surgical and Hospital services; inpatient immunosuppressive

medications; and costs for organ or bone marrow/stem cell procurement. Transplant services are covered only if they are required to perform any of the following human to human organ or tissue transplants: allogeneic bone marrow/stem cell, autologous bone marrow/stem cell, cornea, heart, heart/lung, kidney, kidney/pancreas, liver, lung, pancreas or intestine which includes small bowel-liver or multi-visceral.

Implantation procedures for artificial heart, percutaneous ventricular assist device (PVAD), extracorporeal membrane oxygenation (ECMO) ventricular assist device (VAD) and intra-aortic balloon pump (IABP) are also covered.

- All transplant services and related specialty care services, other than cornea transplants, are covered when received at Cigna LifeSOURCE Transplant Network® facilities.
- Transplant services and related specialty care services received at Participating Provider facilities specifically contracted with Cigna for the requested transplant services and related specialty care services, other than Cigna LifeSOURCE Transplant Network® facilities, are payable at the In-Network level.
- Transplant services and related specialty care services received at any other facility, including non-Participating Provider facilities and Participating Provider facilities not specifically contracted with Cigna for the requested transplant services and related specialty care services, are covered at the Out-of-Network level.
- Cornea transplants received at a facility that is specifically contracted with Cigna for this type of transplant are payable at the In-Network level.

Charges for gene therapy products and services directly related to their administration are not covered under the Transplant Services and Related Specialty Care benefit.

Coverage for organ procurement costs are limited to costs directly related to the procurement of an organ, from a cadaver or a live donor. Organ procurement costs shall consist of hospitalization and surgery necessary for removal of an organ and transportation of a live donor (refer to Transplant and Related Specialty Care Travel Services). Compatibility testing undertaken prior to procurement is covered if Medically Necessary. Costs related to the search for, and identification of a bone marrow or stem cell donor for an allogeneic transplant are also covered.

Transplant and Related Specialty Care Travel Services

Charges made for non-taxable travel expenses incurred by you in connection with a preapproved organ/tissue transplant are covered subject to the following conditions and limitations:

- Transplant and related specialty care travel benefits are not available for cornea transplants.
- Benefits for transportation and lodging are available to the recipient of a preapproved organ/tissue transplant and/or related specialty care from a designated Cigna LifeSOURCE Transplant Network® facility.
- The term recipient is defined to include a person receiving authorized transplant related services during any of the following: evaluation, candidacy, transplant event, or post-transplant care.
- Travel expenses for the person receiving the transplant will include charges for: transportation to and from the designated Cigna LifeSOURCE Transplant Network® facility (including charges for a rental car used during a period of care at the designated Cigna LifeSOURCE Transplant Network® facility); and lodging while at or traveling to and from the designated Cigna LifeSOURCE Transplant Network® facility.
- In addition to your coverage for the charges associated with the items above, such charges will also be considered covered travel expenses for one companion to accompany you. The term companion includes your spouse, a member of your family, your legal guardian, or any person not related to you, but actively involved as your caregiver who is at least 18 years of age.
- The following are specifically excluded travel expenses: any expenses that if reimbursed would be taxable income, travel costs incurred due to travel within 60 miles of your home; food and meals; laundry bills; telephone bills; alcohol or tobacco products; and charges for transportation that exceed coach class rates.

These benefits for Transplant Services and Related Specialty Care, and for Transplant and Related Specialty Care Travel Services are only available when the covered person is the recipient of an organ/tissue transplant. Travel expenses for the designated live donor for a covered recipient are covered subject to the same conditions and limitations noted above.

Charges for the expenses of a donor companion are not covered. No transplant and related specialty care services or travel benefits are available when the covered person is the donor for an organ/tissue transplant, the transplant recipient's plan would cover all donor costs.

Advanced Cellular Therapy

Charges for advanced cellular therapy products and services directly related to their administration are covered when Medically Necessary. Coverage includes the cost of the advanced cellular therapy product; medical, surgical, and facility services directly related to administration of the advanced cellular therapy product, and professional services.

Cigna determines which U.S. Food and Drug Administration (FDA) approved products are in the category of advanced cellular therapy, based on the nature of the treatment and how it is manufactured, distributed and administered. An example of advanced cellular therapy is chimeric antigen receptor (CAR) T-cell therapy that redirects a person's T cells to recognize and kill a specific type of cancer cell.

Advanced cellular therapy products and their administration are covered at the In-Network benefit level when prior authorized to be received at a provider contracted with Cigna for the specific advanced cellular therapy product and related services. Advanced cellular therapy products and their administration received from a provider that is not contracted with Cigna for the specific advanced cellular therapy product and related services are not covered.

Advanced Cellular Therapy Travel Services

Charges made for non-taxable travel expenses incurred by you in connection with a prior authorized advanced cellular therapy product are covered, subject to the following conditions and limitations.

Benefits for transportation and lodging are available to you only when:

- you are the recipient of a prior authorized advanced cellular therapy product;
- the term recipient is defined to include a person receiving prior authorized advanced cellular therapy related services during any of the following: evaluation, candidacy, event, or post care;
- the advanced cellular therapy products and services directly related to their administration are received at a provider

contracted with Cigna for the specific advanced cellular therapy product and related services; and

- the provider is not available within a 60 mile radius of your primary home residence.

Travel expenses for the person receiving the advanced cellular therapy include charges for: transportation to and from the advanced cellular therapy site (including charges for a rental car used during a period of care at the facility); and lodging while at, or traveling to and from, the site.

In addition to your coverage for the charges associated with the items above, such charges will also be considered covered travel expenses for one companion to accompany you. The term companion includes your spouse, a member of your family, your legal guardian, or any person not related to you, but actively involved as your caregiver who is at least 18 years of age.

The following are specifically excluded travel expenses: any expenses that if reimbursed would be taxable income, travel costs incurred due to travel within a 60 mile radius of your primary home residence; food and meals; laundry bills; telephone bills; alcohol or tobacco products; and charges for transportation that exceed coach class rates.

HC-COV1657

Medical Pharmaceuticals

The plan covers charges made for Medical Pharmaceuticals that may be administered in an Inpatient setting, Outpatient setting, Physician's office, or in a covered person's home.

Benefits under this section are provided only for Medical Pharmaceuticals that, because of their characteristics as determined by Cigna, require a qualified licensed health care professional to administer or directly supervise administration.

Certain Medical Pharmaceuticals are subject to prior authorization requirements or other coverage conditions. Additionally, certain Medical Pharmaceuticals are subject to step therapy requirements. This means that in order to receive coverage, the covered person may be required to try a specific Medical Pharmaceutical before trying others. Medical Pharmaceuticals administered in an Inpatient facility are reviewed per Inpatient review guidelines.

Cigna determines the utilization management requirements and other coverage conditions that apply to a Medical Pharmaceutical by considering a number of factors:

- Clinical factors, which may include Cigna’s evaluations of the site of care and the relative safety or relative efficacy of Medical Pharmaceuticals.
- Economic factors, which may include the cost of the Medical Pharmaceutical and assessments of cost effectiveness after rebates.

The coverage criteria for a Medical Pharmaceutical may change periodically for various reasons. For example, a Medical Pharmaceutical may be removed from the market, a new Medical Pharmaceutical in the same therapeutic class as a Medical Pharmaceutical may become available, or other market events may occur. Market events that may affect the coverage status of a Medical Pharmaceutical include an increase in the cost of a Medical Pharmaceutical.

Certain Medical Pharmaceuticals that are used for treatment of complex chronic conditions, are high cost, and are administered and handled in a specialized manner may be subject to additional coverage criteria or require administration by a designated Cigna Pathwell Specialty provider. Cigna determines which injections, infusions, and implantable drugs are subject to these criteria and requirements.

Cigna Pathwell Specialty includes, but is not limited to, contracted physician offices, ambulatory infusion centers, home and outpatient hospital infusion centers, and contracted specialty pharmacies. When the designated Cigna Pathwell Specialty provider cannot meet the clinical needs of the customer as determined by Cigna, exceptions are considered and approved when appropriate.

A complete list of those Medical Pharmaceuticals subject to additional coverage criteria or that require administration by a designated Cigna Pathwell Specialty provider is available at www.cigna.com/PathwellSpecialty.

The following are not covered under the plan:

- Medical Pharmaceutical regimens that have a Therapeutic Equivalent or Therapeutic Alternative to another covered Prescription Drug Product(s);
- Medical Pharmaceuticals newly approved by the Food & Drug Administration (FDA) up to the first 180 days following its market launch;
- Medical Pharmaceutical regimens for which there is an appropriate lower cost alternative for treatment.

In the event a covered Medical Pharmaceutical is not clinically appropriate, Cigna makes available an exception process to allow for access to non-covered drugs when Medically Necessary.

Cigna may consider certain Medical Pharmaceutical regimens as preferred when they are clinically effective treatments and the most cost effective. Preferred regimens are covered unless the covered person is not a candidate for the regimen and a Medical Necessity coverage exception is obtained.

HC-COV1677

01-26

Gene Therapy

Charges for gene therapy products and services directly related to their administration are covered when Medically Necessary. Gene therapy is a category of pharmaceutical products approved by the U.S. Food and Drug Administration (FDA) to treat or cure a disease by:

- replacing a disease-causing gene with a healthy copy of the gene.
- inactivating a disease-causing gene that may not be functioning properly.
- introducing a new or modified gene into the body to help treat a disease.

Each gene therapy product is specific to a particular disease and is administered in a specialized manner. Cigna determines which products are in the category of gene therapy, based in part on the nature of the treatment and how it is distributed and administered.

Coverage includes the cost of the gene therapy product; medical, surgical, and facility services directly related to administration of the gene therapy product; and professional services.

Gene therapy products and their administration are covered when prior authorized to be received at In-Network facilities specifically contracted with Cigna for the specific gene therapy service. Gene therapy products and their administration received at other facilities are not covered.

Gene Therapy Travel Services

Charges made for non-taxable travel expenses incurred by you in connection with a prior authorized gene therapy procedure are covered subject to the following conditions and limitations.

Benefits for transportation and lodging are available to you only when you are the recipient of a prior authorized gene therapy; and when the gene therapy products and services directly related to their administration are received at a participating In-Network facility specifically contracted with Cigna for the specific gene therapy service. The term recipient is defined to include a person receiving prior authorized gene therapy related services during any of the following: evaluation, candidacy, event, or post care.

Travel expenses for the person receiving the gene therapy include charges for: transportation to and from the gene therapy site (including charges for a rental car used during a period of care at the facility); and lodging while at, or traveling to and from, the site.

In addition to your coverage for the charges associated with the items above, such charges will also be considered covered travel expenses for one companion to accompany you. The term companion includes your spouse, a member of your family, your legal guardian, or any person not related to you, but actively involved as your caregiver who is at least 18 years of age.

The following are specifically excluded travel expenses: any expenses that if reimbursed would be taxable income, travel costs incurred due to travel within 60 miles of your home; food and meals; laundry bills; telephone bills; alcohol or tobacco products; and charges for transportation that exceed coach class rates.

HC-COV1659

01-26

Clinical Trials

This benefit plan covers routine patient care costs related to a qualified clinical trial for an individual who meets the following requirements:

- (a) is eligible to participate in an approved clinical trial according to the trial protocol with respect to treatment of cancer or other life-threatening disease or condition; and
- (b) either:
 - the referring health care professional is a participating health care provider and has concluded that the individual's participation in such trial would be appropriate based upon the individual meeting the conditions described in paragraph (a); or
 - the individual provides medical and scientific information establishing that the individual's participation in such trial

would be appropriate based upon the individual meeting the conditions described in paragraph (a).

For purposes of clinical trials, the term "life-threatening disease or condition" means any disease or condition from which the likelihood of death is probable unless the course of the disease or condition is interrupted.

The clinical trial must meet the following requirements:

The study or investigation must:

- be approved or funded by any of the agencies or entities authorized by federal law to conduct clinical trials;
- be conducted under an investigational new drug application reviewed by the Food and Drug Administration; or
- involve a drug trial that is exempt from having such an investigational new drug application.

Routine patient care costs are costs associated with the provision of health care items and services including drugs, items, devices and services otherwise covered by this benefit plan for an individual who is not enrolled in a clinical trial and, in addition:

- services required solely for the provision of the investigational drug, item, device or service;
- services required for the clinically appropriate monitoring of the investigational drug, device, item or service;
- services provided for the prevention of complications arising from the provision of the investigational drug, device, item or service; and
- reasonable and necessary care arising from the provision of the investigational drug, device, item or service, including the diagnosis or treatment of complications.

Routine patient care costs do not include:

- the investigational drug, item, device, or service, itself; or
- items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient.

If your plan includes In-Network providers, clinical trials conducted by non-Participating Providers will be covered at the In-Network benefit level if:

- there are not In-Network providers participating in the clinical trial that are willing to accept the individual as a patient; or

-
- the clinical trial is conducted outside the individual's state of residence.

**Prescription Drug Benefits
The Schedule**

For You and Your Dependents

This plan provides Prescription Drug benefits for Prescription Drug Products provided by Pharmacies as shown in this Schedule. To receive Prescription Drug Benefits, you and your Dependents may be required to pay a Deductible, Copayment or Coinsurance requirement for Covered Expenses for Prescription Drug Products.

You and your Dependents will pay 100% of the cost of any Prescription Drug Product excluded from coverage under this plan. The amount you and your Dependent pays for any excluded Prescription Drug Product to the dispensing Pharmacy, will not count towards your Deductible, if any, or Out-of-Pocket Maximum.

Coinsurance

The term Coinsurance means the percentage of the Prescription Drug Charge for a covered Prescription Drug Product dispensed by a Network Pharmacy that you or your Dependent are required to pay under this plan in addition to the Deductible, if any.

Copayments (Copay)

Copayments are amounts to be paid by you or your Dependent for covered Prescription Drug Products.

Out-of-Pocket Expenses

Out-of-Pocket Expenses are Covered Expenses incurred at a Pharmacy for Prescription Drug Products for which the Plan provides no payment because of the Coinsurance factor and any Copayments or Deductibles. When the Out-of-Pocket Maximum shown in The Schedule is reached, benefits are payable at 100%.

Preventive Medications

Certain Generic Preventive Medications identified by Cigna and that are dispensed by a retail or home delivery Network Pharmacy are not subject to Copay and Coinsurance. You may determine whether a drug is a Preventive Care Medication through the website shown on your ID card or by calling member services at the telephone number on your ID card.

BENEFIT HIGHLIGHTS	NETWORK PHARMACY	NON-NETWORK PHARMACY
<p>Patient Assurance Program</p> <p>Your plan offers additional discounts for certain covered Prescription Drug Products that are dispensed by a retail or home delivery Network Pharmacy included in what is known as the “Patient Assurance Program”. As may be described elsewhere in this plan, from time to time Cigna may directly or indirectly enter into arrangements with pharmaceutical manufacturers for discounts that result in a reduction of your Out-of-Pocket Expenses for certain covered Prescription Drug Products for which Cigna directly or indirectly earns the discounts. Specifically, some or all of the Patient Assurance Program discount earned by Cigna for certain covered Prescription Drug Products included in the Patient Assurance Program is applied or credited to a portion of your Copayment or Coinsurance, if any. The Copayment or Coinsurance, if any, otherwise applicable to those certain covered Prescription Drug Products as set forth in The Schedule may be reduced in order for Patient Assurance Program discounts earned by Cigna to be applied or credited to the Copayment or Coinsurance, if any, as described above.</p> <p>For example, certain insulin product(s) covered under the Prescription Drug Benefit for which Cigna directly or indirectly earns a discount in connection with the Patient Assurance Program shall result in a credit toward some or all of your Copayment or Coinsurance, if any, which, as noted, may be reduced from the amount set forth in The Schedule, for the insulin product. In addition, the covered insulin products eligible for Patient Assurance Program discounts shall not be subject to the Deductible, if any.</p> <p>Your Copayment or Coinsurance payment, if any, for covered Prescription Drug Products under the Patient Assurance Program counts toward your Out-of-Pocket Maximum.</p> <p>Any Patient Assurance Program discount that is used to satisfy your Copayment or Coinsurance, if any, for covered Prescription Drug Products under the Patient Assurance Program counts toward your Out-of-Pocket Maximum.</p> <p>Please note that the Patient Assurance Program discounts that Cigna may earn for Prescription Drug Products, and may apply or credit to your Copayment or Coinsurance, if any, in connection with the Patient Assurance Program are unrelated to any rebates or other payments that Cigna may earn from a pharmaceutical manufacturer for the same or other Prescription Drug Products. Except as may be noted elsewhere in this plan, you are not entitled to the benefit of those rebates or other payments earned by Cigna because they are unrelated to the Patient Assurance Program. Additionally, the availability of the Patient Assurance Program, as well as the Prescription Drug Products included in the Patient Assurance Program and/or your Copayment or Coinsurance, if any for those eligible Prescription Drug Products, may change from time to time depending on factors including, but not limited to, the continued availability of the Patient Assurance Program discount(s) to Cigna in connection with the Patient Assurance Program. More information about the Patient Assurance Program including the Prescription Drug Products included in the program, is available at the website shown on your ID card or by calling member services at the telephone number on your ID card.</p>

Prescription Drug Benefits

Covered Expenses

Your plan provides benefits for Prescription Drug Products on the Prescription Drug List that are dispensed by a Pharmacy. Details regarding your plan's Covered Expenses, which for the purposes of the Prescription Drug Benefit include Medically Necessary Prescription Drug Products ordered by a Physician, Limitations, and Exclusions are provided below and/or are shown in The Schedule.

If you or any one of your Dependents, while insured for Prescription Drug Benefits, incurs expenses for charges made by a Pharmacy for Medically Necessary Prescription Drug Products ordered by a Physician, your plan provides coverage for those expenses as shown in The Schedule. Your benefits may vary depending on which of the Prescription Drug List tiers the Prescription Drug Product is listed, or the Pharmacy that provides the Prescription Drug Product.

Coverage under your plan's Prescription Drug Benefits also includes Medically Necessary Prescription Drug Products dispensed pursuant to a Prescription Order or Refill issued to you or your Dependents by a licensed dentist for the prevention of infection or pain in conjunction with a dental procedure.

When you or a Dependent are issued a Prescription Order or Refill for Medically Necessary Prescription Drug Products as part of the rendering of Emergency Services and Cigna determines that it cannot reasonably be filled by a Network Pharmacy, the prescription will be covered pursuant to the, as applicable, Copayment or Coinsurance for the Prescription Drug Product when dispensed by a Network Pharmacy.

Prescription Drug List Management

Your plan's Prescription Drug List coverage tiers may contain Prescription Drug Products that are Generic Drugs, Brand Drugs or Specialty Prescription Drug Products. Determination of inclusion of a Prescription Drug Product to a certain coverage tier on the Prescription Drug List and utilization management requirements or other coverage conditions are based on a number of factors which may include, clinical and economic factors. Clinical factors may include, but are not limited to, the P&T Committee's evaluations of the place in therapy, relative safety or relative efficacy of the Prescription Drug Product, as well as whether certain supply limits or other utilization management requirements should apply. Economic factors may include, but are not limited to, the Prescription Drug Product's acquisition cost including, but not limited to,

assessments on the cost effectiveness of the Prescription Drug Product and available rebates. Regardless of its eligibility for coverage under the plan, whether a particular Prescription Drug Product is appropriate for you or any of your Dependents is a determination that is made by you or your Dependent and the prescribing Physician.

The coverage status of a Prescription Drug Product may change periodically for various reasons. For example, a Prescription Drug Product may be removed from the market, a New Prescription Drug Product in the same therapeutic class as a Prescription Drug Product may become available, or other market events may occur. Market events that may affect the coverage status of a Prescription Drug Product include, but are not limited to, an increase in the acquisition cost of a Prescription Drug Product. As a result of coverage changes, for the purposes of benefits the plan may require you to pay more or less for that Prescription Drug Product, to obtain the Prescription Drug Product from a certain Pharmacy(ies) for coverage, or try another covered Prescription Drug Product(s). Please access the Prescription Drug List through the website shown on your ID card or call member services at the telephone number on your ID card for the most up-to-date tier status, utilization management, or other coverage limitations for a Prescription Drug Product.

Limitations

For most Prescription Drug Products you and your Dependent pay only the cost sharing detailed in The Schedule of Prescription Drug Benefits. However, in the event you or your Dependent insist on a more expensive Brand Drug where a Therapeutic Equivalent Generic Drug is available, you may be financially responsible for an Ancillary Charge, in addition to any required Brand Drug Copayment and/or Coinsurance. In this case, the Ancillary Charge will not apply to your Deductible, if any, or Out of Pocket Maximum. However, in the event your Physician determines that the Generic Drug is not an acceptable alternative for you (and indicates Dispensed as Written on the Prescription Order or Refill), you will only be responsible for payment of the appropriate Brand Drug Coinsurance and/or Copayment after satisfying your Deductible, if any.

Your plan includes a Brand Drug for Generic Drug dispensing program. This program allows certain Brand Drugs to be dispensed in place of the Therapeutic Equivalent Generic

Drug at the time your Prescription Order or Refill is processed by a participating Pharmacy. Brand Drug for Generic Drug substitution will occur only for certain Brand Drugs included in the program. When this substitution program is applied, the participating Pharmacy will dispense the Brand Drug to you in place of the available Generic Drug. You will be responsible for payment of only a Generic Drug Copayment and/or Coinsurance, after satisfying your Deductible, if any.

Prior Authorization Requirements

Coverage for certain Prescription Drug Products prescribed to you requires your Physician to obtain prior authorization from Cigna or its Review Organization. The reason for obtaining prior authorization from Cigna is to determine whether the Prescription Drug Product is Medically Necessary in accordance with Cigna's coverage criteria. Coverage criteria for a Prescription Drug Product may vary based on the clinical use for which the Prescription Order or Refill is submitted, and may change periodically based on changes in, without limitation, clinical guidelines or practice standards, or market factors.

If Cigna or its Review Organization reviews the documentation provided and determines that the Prescription Drug Product is not Medically Necessary or otherwise excluded, your plan will not cover the Prescription Drug Product. Cigna, or its Review Organization, will not review claims for excluded Prescription Drug Products or other services to determine if they are Medically Necessary, unless required by law.

When Prescription Drug Products that require prior authorization are dispensed at a Pharmacy, you or your prescribing Physician are responsible for obtaining prior authorization from Cigna. If you do not obtain prior authorization from us before the Prescription Drug Product is dispensed by the Pharmacy, you can ask us to consider reimbursement after you pay for and receive the Prescription Drug Product. You will need to pay for the Prescription Drug Product at the Pharmacy prior to submitting a reimbursement request.

When you submit a claim on this basis, you will need to submit a paper claim using the form that appears on the website shown on your ID card.

If a prior authorization request is approved, your Physician will receive confirmation. The authorization will be processed in the claim system to allow you to have coverage for the Prescription Drug Product. The length of the authorization may depend on the diagnosis and the Prescription Drug Product. The authorization will at all times be subject to the

plan's terms of coverage for the Prescription Drug Product, which may change from time to time. When your Physician advises you that coverage for the Prescription Drug Product has been approved, you can contact a Pharmacy to fill the covered Prescription Order or Refill.

If the prior authorization request is denied, your Physician and you will be notified that coverage for the Prescription Drug Product is not authorized. If you disagree with a coverage decision, you may appeal that decision in accordance with the provisions of the plan by submitting a written request stating why the Prescription Drug Product should be covered.

Step Therapy

Certain Prescription Drug Products are subject to step therapy requirements. This means that in order to receive Benefits for such Prescription Drug Products you are required to try a different Prescription Drug Product(s) first unless you satisfy the plan's exception criteria. You may identify whether a particular Prescription Drug Product is subject to step therapy requirements at the website shown on your ID card or by calling member services at the telephone number on your ID card.

Supply Limits

Benefits for Prescription Drug Products are subject to the supply limits that are stated in The Schedule. For a single Prescription Order or Refill, you may receive a Prescription Drug Product up to the stated supply limit.

Some products are subject to additional supply limits, quantity limits or dosage limits based on coverage criteria that have been approved based on consideration of the P&T Committee's clinical findings. Coverage criteria are subject to periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply, or may require that a minimum amount be dispensed.

You may determine whether a Prescription Drug Product has been assigned a dispensing supply limit or similar limit or requirement at the website shown on your ID card or by calling member services at the telephone number on your ID card.

Specialty Prescription Drug Products

Benefits are provided for Specialty Prescription Drug Products. If you require Specialty Prescription Drug Products, you may be directed to a Designated Pharmacy with whom Cigna has an arrangement to provide those Specialty Prescription Drug Products.

Specialty Clinical Days' Supply

Specialty clinical days' supply is designed to improve customer adherence and satisfaction while reducing the waste of Specialty Prescription Drug Products resulting from changes in prescription drug therapy. Specialty clinical days' supply uses clinical guidelines, customer experience, financial considerations, and Cigna's home delivery pharmacy expertise to establish an optimum maximum days' supply for each fill of a Specialty Prescription Drug Product. The maximum days' supply of a Specialty Prescription Drug Product, dispensed by a Cigna designated specialty pharmacy, may be limited to less than the home delivery days' supply maximum indicated in The Schedule depending on the drug, condition, and demonstrated patient stability on prescription drug therapy.

Designated Pharmacies

If you require certain Prescription Drug Products, including, but not limited to, Specialty Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from a Designated Pharmacy, you may not receive coverage for the Prescription Drug Product or be subject to the non-Network Pharmacy Benefit, if any, for that Prescription Drug Product. Refer to The Schedule for further information.

New Prescription Drug Products

New Prescription Drug Products may or may not be placed on a Prescription Drug List tier upon market entry. Cigna will use reasonable efforts to make a tier placement decision for a New Prescription Drug Product within six months of its market availability. Cigna's tier placement decision shall be based on consideration of, without limitation, the P&T Committee's clinical review of the New Prescription Drug Product and economic factors. If a New Prescription Drug Product not listed on the Prescription Drug List is approved by Cigna or its Review Organization as Medically Necessary in the interim, the New Prescription Drug Product shall be covered at the applicable coverage tier as set forth in The Schedule.

Prescription Eye Drops

For prescription eye drops, one early refill will be allowed to treat Glaucoma under certain conditions:

- (1) The refill is requested by an insured less than 30 days after the later of:
 - The date the original prescription was dispensed to the insured; or
 - The date that the last refill of the prescription was dispensed to the insured.
- (2) The prescriber indicates on the original prescription that a specific number of refills will be needed.
- (3) The refill does not exceed the number of refills that the prescriber indicated under subsection (2) of this section.
- (4) The prescription has not been refilled more than once during the 30-day period prior to the request for an early refill.

Your Payments

Covered Prescription Drug Products purchased at a Pharmacy are subject to any applicable Deductible, Copayments or Coinsurance shown in The Schedule, as well as any limitations or exclusions set forth in this plan. Please refer to The Schedule for any required Copayments, Coinsurance, Deductibles or Out-of-Pocket Maximums.

Copayment

Your plan requires that you pay a Copayment for covered Prescription Drug Products as set forth in The Schedule. After satisfying any applicable annual Deductible set forth in The Schedule, your costs under the plan for a covered Prescription Drug Product dispensed by a Network Pharmacy and that is subject to a Copayment requirement will be the lowest of the following amounts:

- the Copayment for the Prescription Drug Product set forth in The Schedule; or
- the Prescription Drug Charge; or
- the Pharmacy Rate; or
- the Network Pharmacy's submitted Usual and Customary (U&C) Charge, if any.

Coinsurance

Your plan requires that you pay a Coinsurance amount for covered Prescription Drug Products as set forth in The Schedule. After satisfying any applicable annual Deductible

set forth in The Schedule, your costs under the plan for a covered Prescription Drug Product dispensed by a Network Pharmacy and that is subject to a Coinsurance requirement will be the lowest of the following amounts:

- the amount that results from applying the applicable Coinsurance percentage set forth in The Schedule to the Prescription Drug Charge; or
- the Pharmacy Rate; or
- the Network Pharmacy's submitted Usual and Customary (U&C) Charge, if any.

When a treatment regimen contains more than one type of Prescription Drug Products that are packaged together for your or your Dependent's convenience, any applicable Copayment or Coinsurance may apply to each Prescription Drug Product.

You will need to obtain prior approval from Cigna or its Review Organization for any Prescription Drug Product not listed on the Prescription Drug List that is not otherwise excluded. If Cigna or its Review Organization approves coverage for the Prescription Drug Product because it meets the applicable coverage exception criteria, the Prescription Drug Product shall be covered at the applicable coverage tier as set forth in The Schedule.

Exclusions

Coverage exclusions listed under the "Exclusions, Expenses Not Covered and General Limitations" section also apply to benefits for Prescription Drug Products. In addition, the exclusions listed below apply to benefits for Prescription Drug Products. When an exclusion or limitation applies to only certain Prescription Drug Products, you can access the Prescription Drug List through the website shown on your ID card or call member services at the telephone number on your ID card for information on which Prescription Drug Products are excluded.

- coverage for Prescription Drug Products for the amount dispensed (days' supply) which exceeds the applicable supply limit, or is less than any applicable supply minimum set forth in The Schedule, or which exceeds quantity limit(s) or dosage limit(s) set by the P&T Committee.
- more than one Prescription Order or Refill for a given prescription supply period for the same Prescription Drug

Product prescribed by one or more Physicians and dispensed by one or more Pharmacies.

- Prescription Drug Products dispensed outside the jurisdiction of the United States, except as required for emergency or Urgent Care treatment.
- Prescription Drug Products which are prescribed, dispensed or intended to be taken by or administered to you while you are a patient in a licensed Hospital, Skilled Nursing Facility, rest home, rehabilitation facility, or similar institution which operates on its premises or allows to be operated on its premises a facility for dispensing pharmaceutical products.
- Prescription Drug Products furnished by the local, state or federal government (except for a Network Pharmacy owned or operated by a local, state or federal government).
- any product dispensed for the purpose of appetite suppression (anorectics) or weight loss.
- prescription and non-prescription supplies other than supplies covered as Prescription Drug Products.
- vitamins, except prenatal vitamins that require a Prescription Order or Refill, unless coverage for such product(s) is required by federal or state law.
- medications used for cosmetic or anti-aging purposes, including, without limitation, medications used to reduce wrinkles, medications used to promote hair growth and fade cream products.
- Prescription Drug Products as a replacement for a previously dispensed Prescription Drug Product that was lost, stolen, broken or destroyed.
- Prescription Drug Products used for the treatment of infertility.
- Medical Pharmaceuticals covered solely under the plan's medical benefits.
- any ingredient(s) in a compounded Prescription Drug Product that has not been approved by the U.S. Food and Drug Administration (FDA).
- medications available over-the-counter that do not require a Prescription Order or Refill by federal or state law before being dispensed, unless state or federal law requires coverage of such medications or the over-the-counter medication has been designated as eligible for coverage as if it were a Prescription Drug Product.
- certain Prescription Drug Products that are a Therapeutic Equivalent or Therapeutic Alternative to an over-the-counter drug(s), or are available in over-the-counter form. Such coverage determinations may be made periodically,

and benefits for a Prescription Drug Product that was previously excluded under this provision may be reinstated at any time.

- any product for which the primary use is a source of nutrition, nutritional supplements, or dietary management of disease, even when used for the treatment of Sickness or Injury, unless coverage for such product(s) is required by federal or state law.
- medications used for travel prophylaxis unless specifically identified on the Prescription Drug List.
- immunization agents, virus detection testing, virus antibody testing, biological products for allergy immunization, biological sera, blood, blood plasma and other blood products or fractions unless specifically identified on the Prescription Drug List.
- certain Prescription Drug Products that are a Therapeutic Equivalent or Therapeutic Alternative to another covered Prescription Drug Product(s). Such coverage determinations may be made periodically, and benefits for a Prescription Drug Product that was previously excluded under this provision may be reinstated at any time.
- medications that are not FDA-approved for any indication.
- Prescription Drug Products classified as gene therapy.

Reimbursement/Filing a Claim

Retail Pharmacy

When you or your Dependents purchase your Prescription Drug Products through a Network Pharmacy, you pay any applicable Copayment, Coinsurance, or Deductible shown in The Schedule at the time of purchase. You do not need to file a claim form for a Prescription Drug Product obtained at a Network Pharmacy unless you pay the full cost of a Prescription Drug Product at a Network Pharmacy and later seek reimbursement for the Prescription Drug Product under the plan or wish to dispute the amount you were charged. For example, if you must pay the full cost of a Prescription Drug Product to the retail Network Pharmacy because you did not have your ID card, then you must submit a claim to Cigna for any reimbursement or benefit you believe is due to you under this plan. If, under this example, your payment to the retail Network Pharmacy for the covered Prescription Drug Product exceeds any applicable copay, then you will be reimbursed the

difference, if any, between the applicable copay and the Prescription Drug Charge for the Prescription Drug Product. If you believe that the amount of any applicable Copayment, Coinsurance and/or Deductible you were charged was incorrect, to dispute the accuracy of the amount you were charged you must submit a claim for reimbursement according to the applicable claim filing procedures for postservice claims.

Exclusions, Expenses Not Covered and General Limitations

Exclusions and Expenses Not Covered

Additional coverage limitations determined by plan or provider type are shown in The Schedule. Payment for the following is specifically excluded from this plan:

- care for health conditions that are required by state or local law to be treated in a public facility.
- care required by state or federal law to be supplied by a public school system or school district.
- care for military service disabilities treatable through governmental services if you are legally entitled to such treatment and facilities are reasonably available.
- treatment of an Injury or Sickness which is due to war, declared, or undeclared.
- charges which you are not obligated to pay and/or for which you are not billed. This exclusion includes, but is not limited to:
 - any instance where Cigna determines that a provider or Pharmacy did not bill you for or has waived, reduced, or forgiven any portion of its charges and/or any portion of any Copayment, Deductible, and/or Coinsurance amount(s) you are required to pay for an otherwise Covered Expense (as shown on The Schedule) without Cigna's express consent.
 - charges of a non-Participating Provider who has agreed to charge you at an In-Network benefits level or some other benefits level not otherwise applicable to the services received.

In the event that Cigna determines that this exclusion applies, then Cigna in its sole discretion shall have the right to:

- require you and/or any provider or Pharmacy submitting claims on your behalf to provide proof sufficient to Cigna that you have made your required cost-share payment(s) prior to the payment of any benefits by Cigna;
- deny the payment of benefits in connection with the Covered Expense regardless of whether the provider or the Pharmacy represents that you remain responsible for any amounts that your plan does not cover; or
- reduce the benefits in proportion to the amount of the Copayment, Deductible, and/or Coinsurance amounts waived, forgiven or reduced, regardless of whether the provider or Pharmacy represents that you remain responsible for any amounts that your plan does not cover.
- charges or payment for healthcare-related services that violate state or federal law.
- assistance in the activities of daily living, including but not limited to eating, bathing, dressing or other Custodial Services or self-care activities, homemaker services and services primarily for rest, domiciliary or convalescent care.
- for or in connection with experimental, investigational or unproven services.

Experimental, investigational and unproven services are medical, surgical, diagnostic, psychiatric, substance use disorder or other health care technologies, supplies, treatments, procedures, drug or Biologic therapies or devices that are determined by the utilization review Physician to be either:

- not approved by the U.S. Food and Drug Administration (FDA) or other appropriate regulatory agency to be lawfully marketed for any indication; or
- not demonstrated, through existing peer-reviewed, evidence-based, scientific literature to be safe and effective for treating or diagnosing any condition or Sickness regardless of U.S. Food and Drug Administration (FDA) approval status.

In determining whether any such technologies, supplies, treatments, drug or Biologic therapies or devices are experimental, investigational and/or unproven, the utilization review Physician may rely on the clinical coverage policies maintained by Cigna or the Review Organization. Clinical coverage policies may incorporate,

without limitation, and as applicable, criteria relating to or guidelines.

The plan or policy shall not deny coverage for a drug or Biologic therapy as experimental, investigational and unproven if the drug or Biologic therapy is otherwise approved by the FDA to be lawfully marketed and is recognized for the treatment of the prescribed indication in The American Hospital Formulary Services Drug Information, ‘Drug Facts and Comparisons’, the U.S. Pharmacopoeia drug information, or in peer-reviewed medical literature, or by the U.S. Secretary of Health and Human Services.

- charges for health care services, supplies, or medications when billed for conditions or diagnoses that are not covered or reimbursable under the coverage policies maintained by Cigna or the Review Organization.
- cosmetic surgery or therapies. Cosmetic surgery or therapy is defined as surgery or therapy performed to improve or alter appearance or self-esteem or to treat psychological symptomatology or psychosocial complaints related to one’s appearance including Idiopathic Short Stature Syndrome. However, reconstructive surgery and therapy are covered as provided in the “Reconstructive Surgery” section of Covered Expenses.
- the following services are excluded from coverage regardless of clinical indications except as may be covered under the “Reconstructive Surgery” benefit: abdominoplasty; panniculectomy; redundant skin surgery; removal of skin tags; acupressure; craniosacral and cranial therapy; dance therapy; movement therapy; applied kinesiology; rolfing; prolotherapy; and extracorporeal shock wave lithotripsy (ESWL) for musculoskeletal and orthopedic conditions.
- dental treatment of the teeth, gums or structures directly supporting the teeth, including dental X-rays, examinations, repairs, orthodontics, periodontics, casts, splints and services for dental malocclusion, for any condition. However, charges made for a continuous course of dental treatment for an Injury to teeth are covered.
- medical and surgical services, initial and repeat, intended for the treatment or control of obesity, except for treatment of clinically severe (morbid) obesity as shown in Covered Expenses, including: medical and surgical services to alter appearance or physical changes that are the result of any surgery performed for the management of obesity or clinically severe (morbid) obesity; and weight loss programs

-
- or treatments, whether prescribed or recommended by a Physician or under medical supervision.
- reports, evaluations, physical examinations, or hospitalization not required for health reasons, including but not limited to employment, insurance or government licenses, and court-ordered, forensic or custodial evaluations, unless otherwise covered under this plan.
 - court-ordered treatment or hospitalization, unless treatment is prescribed by a Physician and is a covered service or supply under this plan.
 - infertility and other treatment to assist in achieving pregnancy, including surgical and medical treatment, devices, and infertility drugs; and fertility preservation, including retrieval, cryopreservation, and storage of eggs, sperm, and embryos.
 - reversal of male and female voluntary sterilization procedures.
 - any services or supplies for the treatment of male or female sexual dysfunction such as, but not limited to, treatment of erectile dysfunction (including penile implants), anorgasm, and premature ejaculation.
 - medical and Hospital care and costs for the child of your Dependent child, unless the child is otherwise eligible under this plan.
 - non-medical counseling and/or ancillary services, including but not limited to Custodial Services, educational services, vocational counseling, training and, rehabilitation services, behavioral training, biofeedback, neurofeedback, hypnosis, sleep therapy, return to work services, work hardening programs and driver safety courses.
 - non-medical living arrangements, including but not limited to, health resorts, recreational programs, outdoor skills programs, relaxation or lifestyle programs, or supportive living programs.
 - therapy or treatment intended primarily to improve or maintain general physical condition or for the purpose of enhancing job, school, athletic or recreational performance, including but not limited to routine, long term, or maintenance care which is provided after the resolution of the acute medical problem and when significant therapeutic improvement is not expected.
 - consumable medical supplies other than ostomy supplies and urinary catheters. Excluded supplies include, but are not limited to bandages and other disposable medical supplies, skin preparations and test strips, except as specified in the “Home Health Care Services” or “Breast Reconstruction and Breast Prostheses” sections of this plan.
- private Hospital rooms and/or private duty nursing except as provided under the Home Health Care Services provision.
 - personal or comfort items such as personal care kits provided on admission to a Hospital, television, telephone, newborn infant photographs, complimentary meals, birth announcements, and other articles which are not for the specific treatment of an Injury or Sickness.
 - artificial aids, including but not limited to corrective orthopedic shoes, arch supports, elastic stockings, garter belts, corsets and dentures.
 - aids or devices that assist with non-verbal communications, including but not limited to communication boards, pre-recorded speech devices, laptop computers, desktop computers, Personal Digital Assistants (PDAs), Braille typewriters, visual alert systems for the deaf and memory books.
 - eyeglass lenses and frames, contact lenses and associated services (exams and fittings) (except for the initial set after treatment of keratoconus or following cataract surgery).
 - routine refractions, eye exercises and surgical treatment for the correction of a refractive error, including radial keratotomy.
 - all non-injectable prescription drugs, unless Physician administration or oversight is required, injectable prescription drugs to the extent they do not require Physician supervision and are typically considered self-administered drugs, non-prescription drugs, and investigational and experimental drugs, except as provided in this plan.
 - routine foot care, including the paring and removing of corns and calluses and toenail maintenance. However, foot care services for diabetes, peripheral neuropathies and peripheral vascular disease are covered when Medically Necessary.
 - membership costs and fees associated with health clubs, weight loss programs or smoking cessation programs.
 - genetic screening or pre-implantations genetic screening. General population-based genetic screening is a testing method performed in the absence of any symptoms or any significant, proven risk factors for genetically linked inheritable disease.
 - dental implants for any condition except as shown in the “maxillofacial conditions in the Covered Expense page.
-

- fees associated with the collection, storage or donation of blood or blood products, except for autologous donation in anticipation of scheduled services when medical management review determines the likelihood of excess blood loss is such that transfusion is an expected adjunct to surgery.
- blood administration for the purpose of general improvement in physical condition.
- cost of biologicals that are immunizations or medications for the purpose of travel, or to protect against occupational hazards and risks.
- health and beauty aids, cosmetics and dietary supplements.
- all nutritional supplements, formulae, enteral feedings, supplies and specially formulated medical foods, whether prescribed or not except for infant formula needed for the treatment of inborn errors of metabolism.
- for or in connection with an Injury or Sickness arising out of, or in the course of, any employment for wage or profit.
- charges related to an Injury or Sickness payable under worker's compensation or similar laws.
- products and supplies associated with the administration of medications that are available to be covered under the Prescription Drug Benefit. Such products and supplies include but are not limited to therapeutic Continuous Glucose Monitor (CGM) sensors and transmitters and insulin pods.
- expenses incurred by a participant to the extent reimbursable under automobile insurance coverage. Coverage under this plan is secondary to automobile no-fault insurance or similar coverage. The coverage provided under this plan does not constitute "Qualified Health Coverage" under Michigan law and therefore does not replace Personal Injury Protection (PIP) coverage provided under an automobile insurance policy issued to a Michigan resident. This plan will cover expenses only not otherwise covered by the PIP coverage.

General Limitations

No payment will be made for expenses incurred for you or any one of your Dependents:

- for charges by a Hospital owned or operated by or which provides care or performs services for, the United States Government, if such charges are directly related to a military-service-connected Injury or Sickness.
- for any charges related to care provided through a public program, other than Medicaid.

- for charges which would not have been made if the person did not have coverage.
- to the extent that they are more than Maximum Reimbursable Charges.
- to the extent of the exclusions imposed by any certification requirement shown in this plan.
- for expenses for services, supplies, care, treatment, drugs or surgery that are not Medically Necessary.
- for charges made by any Physician or Other Health Professional who is a member of your family or your Dependent's family.
- for expenses incurred outside the United States other than expenses for Medically Necessary emergency or urgent care while temporarily traveling abroad.

Coordination of Benefits

This section describes what this Plan will pay for Covered Expenses that are also covered under one or more other Plans. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits in the form of payment or services for:

- An insurance policy or certificate or HMO service agreement issued to an individual or a group; or a self-insured group health plan providing benefits in the form of reimbursement or services for care or treatment/items except for Medicare supplement insurance.
- Medicare and other governmental benefit program except for Medicaid.
- Medical benefits coverage under any form of group or individual automobile insurance.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Primary Plan

The Plan that pays first as determined by the Order of Benefit Determination Rules below.

Secondary Plan

The Plan that pays after the Primary Plan as determined by the Order of Benefit Determination Rules below. The benefits under the Secondary Plan are reduced by the benefits under the Primary Plan.

Allowable Expense

The amount of charges considered for payment under the Plan for a Covered Service prior to any reductions due to Coinsurance, Copayment or Deductible amounts. If Cigna contracts with an entity to arrange for the provision of Covered Services through that entity's contracted network of health care providers, the amount that Cigna has agreed to pay that entity is the allowable amount used to determine your Coinsurance or Deductible payments. If the Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

If the benefits for a Covered Expense under your Primary Plan are reduced because you did not comply with the Primary Plan's requirements (for example, getting pre-certification of hospital admission or a second surgical opinion), the amount of the Allowable Expense is reduced by the amount of the reduction.

Claim Determination Period

A calendar year, excluding any part of a calendar year during which you are not covered under this Plan or any date before this section or any similar provision takes effect.

Order of Benefit Determination Rules

A Plan that does not have coordination of benefits rules consistent with these rules is the Primary Plan. If the Plan has coordination of benefits rules consistent with these rules, the first of the following rules that applies to the situation is the one that applies:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee; if both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.

- If you are the Dependent of divorced or separated parents, the Primary Plan for the Dependent shall be determined in the following order:
 - if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, then it shall be Primary, but only from the time of actual knowledge;
 - then, if a court decree states that both parents or it does not specify which parent is responsible for the child's healthcare expenses or health coverage the provisions of paragraph (2) above shall determine the order of benefits;
 - the Plan of the parent with custody of the child;
 - the Plan of the spouse of the parent with custody of the child;
 - the Plan of the parent not having custody of the child; and
 - the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the Secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans do not reach agreement on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans do not reach agreement on the order of benefit determination, this paragraph shall not apply.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be the Primary Plan.

If none of the above rules determines the order of benefits, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the Primary Plan.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to

Medicare, the benefit determination rules identified above will be used to determine how benefits will be coordinated with the other Plan(s).

Effect on the Benefits Payable

If this Plan is the Primary Plan, the amount this Plan pays for a Covered Expense will be determined without regard to the benefits payable under any other Plan.

If this Plan is the Secondary Plan, the amount this Plan pays for a Covered Expense is the Allowable Expense less the amount payable by the Primary Plan during a Plan Year.

Recovery of Excess Benefits

If this Plan is the Secondary Plan and Cigna pays for Covered Expenses that should have been paid by the Primary Plan, or if Cigna pays any amount in excess of what it is obligated to pay under this Plan, Cigna will have the right to recover the amount of the overpayment within 12 months. Cigna may seek such recovery. If we request, you must execute and deliver to us such documents as we determine are necessary to secure our right of recovery.

Right to Receive and Release Information

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 55 days of the request, the claim will be closed. If the requested information is subsequently received, the claim will be processed.

Coordination of Benefits with Medicare

If you, your spouse, or your Dependent are covered under this Plan and qualify for Medicare, federal law determines which Plan is the primary payer and which is the secondary payer. The primary payer always determines covered benefits first, without considering what any other coverage will pay. The secondary payer determines its coverage only after the Primary Plan has completed its determination.

When Medicare is the Primary Payer

Medicare will be the primary payer and this Plan will be the secondary payer, even if you don't elect to enroll in Medicare or you receive services from a provider who does not accept Medicare payments, in the following situations:

- **COBRA or State Continuation**: You, your spouse, or your covered Dependent qualify for Medicare for any reason and are covered under this Plan due to COBRA or state continuation of coverage.
- **Retirement or Termination of Employment**: You, your spouse, or your covered Dependent qualify for Medicare for any reason and are covered under this Plan due to your retirement or termination of employment.
- **Disability**: You, your spouse, or your covered Dependent qualify for Medicare due to a disability, you are an active Employee, and your Employer has fewer than 100 employees.
- **Age**: You, your spouse, or your covered Dependent qualify for Medicare due to age, you are an active Employee, and your Employer has fewer than 20 employees.
- **End Stage Renal Disease (ESRD)**: You, your spouse, or your covered Dependent qualify for Medicare due to End Stage Renal Disease (ESRD) and you are an active or a retired Employee. This Plan will be the primary payer for the first 30 months. Beginning with the 31st month, Medicare will be the primary payer.

When This Plan is the Primary Payer

This Plan will be the primary payer and Medicare will be the secondary payer in the following situations:

- **Disability**: You, your spouse, or your covered Dependent qualify for Medicare due to a disability, you are an active Employee, and your Employer has 100 or more employees.
- **Age**: You, your spouse, or your covered Dependent qualify for Medicare due to age, you are an active Employee, and your Employer has 20 or more employees.
- **End Stage Renal Disease (ESRD)**: You, your spouse, or your covered Dependent qualify for Medicare due to End Stage Renal Disease (ESRD) and you are an active or a retired Employee. This Plan is the primary payer for the first 30 months. Beginning with the 31st month, Medicare will be the primary payer.

IMPORTANT: If you, your spouse, or your Dependent do not elect to enroll in Medicare Parts A and/or B when first eligible, or you receive services from a provider who does not accept Medicare payments, this Plan will calculate

payment based on what should have been paid by Medicare as the primary payer if the person had been enrolled or had received services from a provider who accepts Medicare payments. A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective.

Failure to Enroll in Medicare

If you, your spouse, or your Dependent do not enroll in Medicare Parts A and/or B during the person's initial Medicare enrollment period, or the person opts out of coverage, the person may be subject to Medicare late enrollment penalties, which can cause a delay in coverage and result in higher Medicare premiums when the person does enroll. It can also result in a reduction in coverage under Medicare Parts A and B. If you are planning to retire or terminate employment and you will be eligible for COBRA, state Continuation, or retiree coverage under this Plan, you should enroll in Medicare before you terminate employment to avoid penalties and to receive the maximum coverage under Medicare. Please consult Medicare or the Social Security Administration for more information.

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers'

compensation, government insurance (other than Medicaid), or similar type of insurance or coverage. The coverage under this plan is secondary to any automobile no-fault insurance or similar coverage.

Subrogation/Right of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above:

- Subrogation: The plan shall, to the extent permitted by law, be subrogated to all rights, claims or interests that a Participant may have against such party and shall automatically have a lien upon the proceeds of any recovery by a Participant from such party to the extent of any benefits paid under the plan. A Participant or his/her representative shall execute such documents as may be required to secure the plan's subrogation rights.
- Right of Reimbursement: The plan is also granted a right of reimbursement from the proceeds of any recovery whether by settlement, judgment, or otherwise. This right of reimbursement is cumulative with and not exclusive of the subrogation right granted in paragraph 1, but only to the extent of the benefits provided by the plan.

Lien of the Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;
- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent

- of the plan. The plan's right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
 - The plan's right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat the plan's recovery rights by allocating the proceeds exclusively to non-medical expense damages.
 - No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
 - The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.
 - The plan hereby disavows all equitable defenses in pursuit of its right of recovery. The plan's subrogation or recovery rights are neither affected nor diminished by equitable defenses.
 - In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney's fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.
 - Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the Plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not

- limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.
- Participants must assist the plan in pursuing any subrogation or recovery rights by providing requested information.

Payment of Benefits

Assignment and Payment of Benefits

You may not assign to any party, including, but not limited to, a provider of healthcare services/items, your right to benefits under this plan, nor may you assign any administrative, statutory, or legal rights or causes of action you may have under ERISA, including, but not limited to, any right to make a claim for plan benefits, to request plan or other documents, to file appeals of denied claims or grievances, or to file lawsuits under ERISA. Any attempt to assign such rights shall be void and unenforceable under all circumstances.

You may, however, authorize Cigna to pay any healthcare benefits under this policy to a Participating or Non-Participating Provider. When you authorize the payment of your healthcare benefits to a Participating or Non-Participating Provider, you authorize the payment of the entire amount of the benefits due on that claim. If a provider is overpaid because of accepting duplicate payments from you and Cigna, it is the provider's responsibility to reimburse the overpayment to you. Cigna may pay all healthcare benefits for Covered Expenses directly to a Participating Provider without your authorization. You may not interpret or rely upon this discrete authorization or permission to pay any healthcare benefits to a Participating or Non-Participating Provider as the authority to assign any other rights under this policy to any party, including, but not limited to, a provider of healthcare services/items.

Even if the payment of healthcare benefits to a Non-Participating Provider has been authorized by you, Cigna may, at its option, make payment of benefits to you. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the Non-Participating Provider. Additionally, if you incur expenses outside of the United States for Medically Necessary emergency or urgent care while temporarily traveling abroad, it is your or your Dependent's responsibility to pay the Non-Participating Provider for such benefits. Once payment to the Non-

Participating Provider is made, Cigna will reimburse you for such payment following Cigna's receipt of proof of payment and other supporting documentation required by Cigna's payment policy.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

When coverage is provided for ambulance care and transportation services, reimbursement will be provided directly to the ambulance service provider.

Payment as described above will release Cigna from all liability to the extent of any payment made.

Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment. In addition, your acceptance of benefits under this plan and/or assignment of Medical Benefits separately creates an equitable lien by agreement pursuant to which Cigna may seek recovery of any overpayment. You agree that Cigna, in seeking recovery of any overpayment as a contractual right or as an equitable lien by agreement, may pursue the general assets of the person or entity to whom or on whose behalf the overpayment was made.

Calculation of Covered Expenses

Cigna, in its discretion, will calculate Covered Expenses following evaluation and validation of all provider billings in accordance with:

- the methodologies in the most recent edition of the Current Procedural terminology.
- the methodologies as reported by generally recognized professionals or publications.

Termination of Insurance

Employees

Your insurance will cease on the earliest date below:

- the date you cease to be in a Class of Eligible Employees or cease to qualify for the insurance.
- the last day for which you have made any required contribution for the insurance.
- the date the policy is cancelled.
- the last day of the calendar month in which your Active Service ends except as described below.

Any continuation of insurance must be based on a plan which precludes individual selection.

Temporary Layoff or Leave of Absence

If your Active Service ends due to temporary layoff or leave of absence, your insurance will be continued until the date as determined by your Employer.

Injury or Sickness

If your Active Service ends due to an Injury or Sickness, your insurance will be continued while you remain totally and continuously disabled as a result of the Injury or Sickness. However, your insurance will not continue past the date your Employer cancels your insurance.

Retirement

If your Active Service ends because you retire, your insurance will be continued until the date as defined by your Employer.

Dependents

Your insurance for all of your Dependents will cease on the earliest date below:

- the date your insurance ceases.
- the date you cease to be eligible for Dependent Insurance.
- the last day for which you have made any required contribution for the insurance.
- the date Dependent Insurance is cancelled.

The insurance for any one of your Dependents will cease on the date that Dependent no longer qualifies as a Dependent.

Continuation

Special Continuation Upon Divorce or Death of Employee For Spouse Age 55 or Older and Children

If your Dependent Spouse's and children's insurance would otherwise cease because of your death, or because of your divorce or legal separation, and if, at the time of your death, divorce or legal separation your Dependent Spouse is 55 years of age or older, your surviving or former spouse may continue Dependent Medical Benefits for himself and any Dependent children by paying the required contribution to your Employer.

In no event will the insurance be continued beyond the earliest date below:

- the last day of the period for which the required contribution has been paid;
- the date that your surviving or former spouse becomes covered under another group plan;
- for any one Dependent, the date that Dependent ceases to qualify as a Dependent for any reason other than: lack of primary support by you; or divorce or legal separation;
- the date the group policy is cancelled;
- the date your surviving or former spouse becomes eligible for Medicare.

Notification of Special Continuation

The plan administrator will notify your eligible Dependent of his or her right to elect continuation of coverage within 14 days of receiving written notice of your death, divorce or legal separation. Notice must be given:

- by your former spouse within 60 days of your divorce or legal separation; or
- by the policyholder within 30 days of the date of your death.

Notification of Special Continuation will be mailed to your Dependent at the address provided in such notice and will include:

- a form for election to continue the coverage;
- a statement of the amount of periodic premiums to be charged for the continuation of coverage and of the method and place of payment; and
- instructions for returning the election form by mail within 60 days after the date of mailing of the notice by the plan administrator.

Continuation of Coverage - Replacement of Group Health Coverage

The following describes the process of ensuring uninterrupted coverage for you and your Dependents if coverage ends under this Plan because the Policyholder replaces this coverage with similar group health coverage provided by another insurer. Coverage under this Plan is referred to as "the Prior Plan;" coverage under the group health plan which replaces this Plan is referred to as "the Succeeding Plan."

- When the insurer of the Prior Plan is not the same as the insurer of the Succeeding Plan, the insurer of the Prior Plan will provide an extension of benefits under the Prior Plan for an insured who is hospitalized on the date the Prior Plan ends. (See the provision "Medical Benefits Extension During Hospital Confinement" for a description of this extension of benefits.) Other than this extension of benefits for hospitalized insureds, the Prior Plan is only liable for its accrued liabilities and extensions of benefits, if any, on and after the date the Prior Plan ends.
- When the insurer of the Prior Plan is the same as the insurer of the Succeeding Plan, the Prior Plan is only liable for its accrued liabilities and extensions of benefits, if any, on and after the date the Prior Plan ends.
- Any person who was validly covered under the Prior Plan on the date it ends (other than a person who is hospitalized) and who is a member of the class or classes of persons who are eligible for coverage under the Succeeding Plan will be eligible for coverage under the Succeeding Plan without regard to actively at work or nonconfinement provisions, if any.
- The Succeeding Plan will provide coverage until the date the individual's coverage would standardly terminate under the terms of the Succeeding Plan, (for example, when employment terminates or when a Dependent is no longer eligible for coverage.)
- If the Succeeding Plan includes a pre-existing conditions limitation, the minimum level of benefits provided by the Succeeding Plan to a person to whom a pre-existing conditions limitation applies will either be: the benefits of the Succeeding Plan determined without application of the pre-existing conditions limitation, reduced by any benefits actually paid by or payable under the Prior Plan; or the benefits of the Prior Plan, reduced by any benefits actually paid or payable under the Prior Plan.
- When applying any deductibles or waiting periods, the Succeeding Plan will give credit for the satisfaction or the partial satisfaction of the same or similar provisions under a

Prior Plan providing similar benefits (whether the Prior Plan is insured by the same insurer as the Succeeding Plan or not.) For deductibles, credit will apply for the same or for overlapping benefit periods, and will be given for expenses actually incurred and applied against the deductible provisions of the Prior Plan during the calendar year in which the Succeeding Plan becomes effective. (Such credit will apply or be given only to the extent that the expenses are recognized under the terms of the Succeeding Plan, and are subject to a similar deductible provision.)

- It is the responsibility of the insured making a claim under the Succeeding Plan to furnish evidence of the terms of the Prior Plan's benefit(s) and/or of any claim payments made by the Prior Plan.

Continuation of Coverage after Injury or Illness Claim filed for Worker's Compensation

If an Employee incurs an Injury or illness for which a workers' compensation claim is filed, the policy will continue in effect with respect to that Employee upon timely payment by the Employee of the premium that includes the individual contribution and the contribution due from the Employer. The Employee may maintain such coverage until whichever of the following events first occurs:

- (1) The Employee takes full-time employment with another Employer; or
- (2) Six months from the date that the Employee first makes payment.

Special Continuation For Employee and Spouse under Age 55 and Children

Oregon law guarantees terminating Employees who have been covered under the policy or a predecessor policy for at least 3 months the right to elect medical coverage for themselves and their insured Dependent children for 9 months upon payment of premium. These same rights are extended to the surviving Spouse or former spouse under age 55 of an Employee and for Dependent children whose coverage would be terminated.

Continuation for Strike, Lockout, & Labor Dispute

Policies whose premiums are paid in whole or in part by the Employer based on the terms of a collective bargaining agreement will be continued for striking Employees and their Dependents at their own expense, other than for loss of time coverage, subject to the following:

- When the premium is paid by an Employer under the terms of a collective bargaining agreement, if there is a stoppage of work due to a strike or lockout. The policy, if timely payment of the premium is made, will continue for those

Employees who continue to pay their individual contribution and who assume and pay the contribution due from the Employer.

- When an Employee insured under the policy pays a contribution, if the policyholder is not a trustee of a fund established by an Employer, the Employee's individual contribution will be:
 - The rate in the policy specific to an individual in the class to which the Employee belongs as listed in the policy on the date stoppage of work occurs; or
 - If the policy does not provide for a rate applicable to individuals, an amount equal to the amount determined by dividing the total monthly premium at the date of stoppage of work by the total number of persons insured.
- When an Employee pays a contribution, if the policyholder is a trustee of a fund established by an Employer, the Employee's individual contribution must be the amount which the Employee and Employer would have been required to contribute if the stoppage of work had not occurred.

Rescissions

Your coverage may not be rescinded (retroactively terminated) by Cigna or the plan sponsor unless the plan sponsor or an individual (or a person seeking coverage on behalf of the individual) performs an act, practice or omission that constitutes fraud; or the plan sponsor or individual (or a person seeking coverage on behalf of the individual) makes an intentional misrepresentation of material fact.

Medical Benefits Extension During Hospital Confinement Upon Policy Cancellation

If the Medical Benefits under this plan cease for due to the cancellation of the policy, and you are Confined in a Hospital on that date, Medical Benefits will be paid for Covered Expenses incurred in connection with that Hospital

Confinement. However, no benefits will be paid after the earliest of:

- the date you exceed the Maximum Benefit, if any, shown in The Schedule;
- the date you are no longer Hospital Confined.

The terms of this Medical Benefits Extension will not apply to a child born as a result of a pregnancy which exists when you Medical Benefits cease.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial

parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Special Enrollment Rights Under the Health Insurance Portability & Accountability Act (HIPAA)

If you or your eligible Dependent(s) experience a special enrollment event as described below, you or your eligible Dependent(s) may be entitled to enroll in the Plan outside of a designated enrollment period upon the occurrence of one of the special enrollment events listed below. If you are already enrolled in the Plan, you may request enrollment for you and your eligible Dependent(s) under a different option offered by the Employer for which you are currently eligible. If you are not already enrolled in the Plan, you must request special enrollment for yourself in addition to your eligible Dependent(s). You and all of your eligible Dependent(s) must be covered under the same option. The special enrollment events include:

- **Acquiring a new Dependent.** If you acquire a new Dependent(s) through marriage, birth, adoption or placement for adoption, you may request special enrollment for any of the following combinations of individuals if not already enrolled in the Plan: Employee only; spouse only; Employee and spouse; Dependent child(ren) only; Employee and Dependent child(ren); Employee, spouse and Dependent child(ren). Enrollment of Dependent children is limited to the newborn or adopted children or children who became Dependent children of the Employee due to marriage.
- **Loss of eligibility for State Medicaid or Children's Health Insurance Program (CHIP).** If you and/or your Dependent(s) were covered under a state Medicaid or CHIP plan and the coverage is terminated due to a loss of eligibility, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after termination of Medicaid or CHIP coverage.
- **Loss of eligibility for other coverage (excluding continuation coverage).** If coverage was declined under this Plan due to coverage under another plan, and eligibility for the other coverage is lost, you and all of your eligible

Dependent(s) may request special enrollment in this Plan. If required by the Plan, when enrollment in this Plan was previously declined, it must have been declined in writing with a statement that the reason for declining enrollment was due to other health coverage. This provision applies to loss of eligibility as a result of any of the following:

- divorce or legal separation;
 - cessation of Dependent status (such as reaching the limiting age);
 - death of the Employee;
 - termination of employment;
 - reduction in work hours to below the minimum required for eligibility;
 - you or your Dependent(s) no longer reside, live or work in the other plan's network service area and no other coverage is available under the other plan;
 - you or your Dependent(s) incur a claim which meets or exceeds the lifetime maximum limit that is applicable to all benefits offered under the other plan; or
 - the other plan no longer offers any benefits to a class of similarly situated individuals.
- **Termination of Employer contributions (excluding continuation coverage).** If a current or former Employer ceases all contributions toward the Employee's or Dependent's other coverage, special enrollment may be requested in this Plan for you and all of your eligible Dependent(s).
 - **Exhaustion of COBRA or other continuation coverage.** Special enrollment may be requested in this Plan for you and all of your eligible Dependent(s) upon exhaustion of COBRA or other continuation coverage. If you or your Dependent(s) elect COBRA or other continuation coverage following loss of coverage under another plan, the COBRA or other continuation coverage must be exhausted before any special enrollment rights exist under this Plan. An individual is considered to have exhausted COBRA or other continuation coverage only if such coverage ceases: due to failure of the Employer or other responsible entity to remit premiums on a timely basis; when the person no longer resides or works in the other plan's service area and there is no other COBRA or continuation coverage available under the plan; or when the individual incurs a claim that would meet or exceed a lifetime maximum limit on all benefits and there is no other COBRA or other continuation coverage available to the individual. This does not include termination of an Employer's limited period of

contributions toward COBRA or other continuation coverage as provided under any severance or other agreement.

- **Eligibility for employment assistance under State Medicaid or Children’s Health Insurance Program (CHIP).** If you and/or your Dependent(s) become eligible for assistance with group health plan premium payments under a state Medicaid or CHIP plan, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after the date you are determined to be eligible for assistance.

Except as stated above, special enrollment must be requested within 30 days after the occurrence of the special enrollment event. If the special enrollment event is the birth or adoption of a Dependent child, coverage will be effective immediately on the date of birth, adoption or placement for adoption. Coverage with regard to any other special enrollment event will be effective no later than the first day of the first calendar month following receipt of the request for special enrollment.

Domestic Partners and their children (if not legal children of the Employee) are not eligible for special enrollment.

HC-FED96

04-17

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if you meet Special Enrollment criteria and enroll as described in the Special Enrollment section; or
- if your Employer agrees, and you meet the criteria shown in the following Sections B through H and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer’s network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer’s plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Special Enrollment, Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and

the other plan have different periods of coverage or open enrollment periods.

G. Reduction in work hours

If an Employee's work hours are reduced below 30 hours/week (even if it does not result in the Employee losing eligibility for the Employer's coverage); and the Employee (and family) intend to enroll in another plan that provides Minimum Essential Coverage (MEC). The new coverage must be effective no later than the 1st day of the 2nd month following the month that includes the date the original coverage is revoked.

H. Enrollment in a Qualified Health Plan (QHP)

Employee: The Employee must be eligible for a Special Enrollment Period to enroll in a QHP through an Exchange (Marketplace) or the Employee seeks to enroll in a QHP through an Exchange during the Marketplace's annual open enrollment period; and the disenrollment from the group plan corresponds to the intended enrollment of the Employee (and family) in a QHP through an Exchange for new coverage effective beginning no later than the day immediately following the last day of the original coverage.

Family: A plan may allow an Employee to revoke family coverage midyear in order for family members ("related individuals") to enroll in a QHP through an Exchange (Marketplace). The related individual(s) must be eligible for a Special Enrollment Period to enroll in a QHP or seek to enroll in a QHP during the Marketplace's annual open enrollment period, and the disenrollment from the group plan corresponds to the intended enrollment of the individual(s) in a QHP for new coverage effective beginning no later than the day immediately following the last day of the original coverage. If the Employee does not enroll in a QHP, the Employee must select self-only coverage or family coverage including one or more already-covered individuals.

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

HC-FED67

09-14

Coverage for Maternity Hospital Stay

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification. For information on precertification, contact your plan administrator.

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93

10-17

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures

The following complies with federal law. Provisions of applicable laws of your state may supersede.

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on a preservice, concurrent, or postservice basis, as described below:

Certain services require prior authorization in order to be covered. The booklet describes who is responsible for obtaining this review. You or your authorized representative (typically, your health care professional) must request prior authorization according to the procedures described below, in the booklet, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the booklet, in your provider's network participation documents as applicable, and in the determination notices.

Note: An oral statement made to you by a representative of Cigna or its designee that indicates, for example, a particular service is a Covered Expense, is authorized for coverage by the plan, or that you are eligible for coverage is not a guarantee that you will receive benefits for services under this plan. Cigna will make a benefit determination after a claim is received from you or your authorized representative, and the benefit determination will be based on, your eligibility as of the date services were rendered to you and the terms and conditions of the plan in effect as of the date services were rendered to you.

Preservice Determinations

When you or your representative requests a required prior authorization, Cigna will notify you or your representative of

the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond Cigna's control, Cigna will notify you or your representative within 15 days after receiving your request. This notice will include the date a determination can be expected, which will be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

If the determination periods above would seriously jeopardize your life or health, your ability to regain maximum function, or in the opinion of a health care professional with knowledge of your health condition, cause you severe pain which cannot be managed without the requested services, Cigna will make the preservice determination on an expedited basis. Cigna will defer to the determination of the treating health care professional regarding whether an expedited determination is necessary. Cigna will notify you or your representative of an expedited determination within 72 hours after receiving the request.

However, if necessary information is missing from the request, Cigna will notify you or your representative within 24 hours after receiving the request to specify what information is needed. You or your representative must provide the specified information to Cigna within 48 hours after receiving the notice. Cigna will notify you or your representative of the expedited benefit determination within 48 hours after you or your representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If you or your representative attempts to request a preservice determination, but fails to follow Cigna's procedures for requesting a required preservice determination, Cigna will notify you or your representative of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless you or your representative requests written notification.

Concurrent Determinations

When an ongoing course of treatment has been approved for you and you wish to extend the approval, you or your representative must request a required concurrent coverage

determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When you or your representative requests such a determination, Cigna will notify you or your representative of the determination within 24 hours after receiving the request.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: information sufficient to identify the claim including, if applicable, the date of service, provider and claim amount; diagnosis and treatment codes, and their meanings; the specific reason or reasons for the adverse determination including, if applicable, the denial code and its meaning and a description of any standard that was used in the denial; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, (if applicable); upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim; and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity,

experimental treatment or other similar exclusion or limit; a description of any available internal appeal and/or external review process(es); information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

Appointment of Authorized Representative

You may appoint an authorized representative to assist you in submitting a claim or appealing a claim denial. However, Cigna may require you to designate your authorized representative in writing using a form approved by Cigna. At all times, the appointment of an authorized representative is revocable by you. To ensure that a prior appointment remains valid, Cigna may require you to re-appoint your authorized representative, from time to time.

Cigna reserves the right to refuse to honor the appointment of a representative if Cigna reasonably determines that:

- the signature on an authorized representative form may not be yours, or
- the authorized representative may not have disclosed to you all of the relevant facts and circumstances relating to the overpayment or underpayment of any claim, including, for example, that the billing practices of the provider of medical services may have jeopardized your coverage through the waiver of the cost-sharing amounts that you are required to pay under your plan.

If your designation of an authorized representative is revoked, or Cigna does not honor your designation, you may appoint a new authorized representative at any time, in writing, using a form approved by Cigna.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if

you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all

covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Moving Out of Employer’s Service Area or Elimination of a Service Area

If you and/or your Dependents move out of the Employer’s service area or the Employer eliminates a service area in your location, your COBRA continuation coverage under the plan will be limited to out-of-network coverage only. In-network coverage is not available outside of the Employer’s service area. If the Employer offers another benefit option through Cigna or another carrier which can provide coverage in your

location, you may elect COBRA continuation coverage under that option.

Employer’s Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn

or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer's Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under "Termination of COBRA Continuation" above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

When You Have A Complaint or An Appeal

Definitions

Adverse Benefit Determination means an insurer's denial, reduction or termination of a health care item or service, or an insurer's failure or refusal to provide or to make a payment in whole or in part for a health care item or service, that is based on the insurer's:

- denial of eligibility for or termination of enrollment in a health benefit plan;
- rescission or cancellation of a policy or certificate;

- imposition of a preexisting condition exclusion, source-of-injury exclusion, network exclusion, annual benefit limit or other limitation on otherwise covered items or services. Preexisting condition exclusion means a health benefit plan provision applicable to an enrollee or late enrollee that excludes coverage for services, charges or expenses incurred during a specified period immediately following enrollment for a condition for which medical advice, diagnosis, care or treatment was recommended or received during a specified period immediately preceding enrollment;
- determination that a health care item or service is experimental, investigational or not Medically Necessary, effective or appropriate;
- determination that a course or plan of treatment that an Enrollee is undergoing is an active course of treatment for purposes of continuity of care. As used in this section, "continuity of care" means the feature of a health benefit plan under which an enrollee who is receiving care from an individual provider is entitled to continue with care with the individual provider for a limited period of time after the medical services contract terminates.
- denial, in whole or in part, of a request for prior authorization, a request for an exception to step therapy or a request for coverage of a treatment, drug, device or diagnostic or laboratory test that is subject to other utilization review requirements.

Authorized Representative means an individual who by law or by the consent of a person may act on behalf of the person.

Enrollee means an Employee or Dependent of the Employee who has enrolled for coverage under the terms of the plan.

Grievance means:

- A request submitted by an Enrollee or an Authorized Representative of an Enrollee expressing dissatisfaction with an adverse benefit determination:
 - in writing, for an internal appeal or an external review; or
 - in writing or orally, for an expedited response to a request for an internal appeal that accommodates the clinical urgency of the situation; or
- A written complaint submitted by an Enrollee or an Authorized Representative of an Enrollee regarding the:
 - availability, delivery or quality of a health care service;
 - claims payment, handling or reimbursement for health care services and, unless the Enrollee has not submitted a

request for an internal appeal, the complaint is not disputing an adverse benefit determination; or

- matters pertaining to the contractual relationship between an Enrollee and an insurer.

For the purposes of this section, any reference to "you," "your" or "Member" also refers to an Authorized Representative.

We want you to be completely satisfied with the care and services you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start With Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, contractual benefits, or a rescission of coverage, you may call our toll-free number and explain your concern to one of our Customer Service representatives. Please call us at the member services toll-free number that appears on your Benefit Identification card, explanation of benefits or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

Appeals Procedure

Cigna has a two-step appeals procedure for coverage decisions. To initiate an appeal for most claims, you must submit your Grievance, within 365 days of receipt of a denial notice. However, if Cigna reduces or terminates coverage (except where the reduction or termination is due to a plan amendment or termination) for an ongoing course of treatment that Cigna previously approved, and the reduction or termination in coverage will occur before the end of the period of time or number of treatments that Cigna approved, then to initiate an appeal you must submit a request for an appeal of that reduction or termination in coverage within 30 days of receipt of the denial notice. If you appeal timely a reduction or termination in coverage for an ongoing course of treatment that Cigna previously approved, you will receive, as required by applicable law, continued coverage pending the outcome of an appeal. Appeals may be submitted to the following address:

Cigna HealthCare
National Appeals Organization (NAO)
PO Box 188011
Chattanooga, TN 37422

You should state the reason why you feel your appeal should be approved and include any information supporting your Grievance. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call us at the toll-free number on your Benefit Identification card, explanation of benefits or claim form.

In the event an approved ongoing course of treatment is reduced or terminated by Cigna before the end of the approved time or number of treatments, you will be notified sufficiently in advance of the reduction or termination to allow you time to appeal and receive a decision before the treatment is reduced or terminated. Cigna will provide continued coverage of an ongoing course of treatment pending the outcome of the internal appeal process.

If Cigna fails to strictly adhere to all the requirements of the internal claims and appeals process, you may initiate an external Independent Review and/or pursue any available remedies under applicable state or federal laws.

Level One Appeal

Your Grievance will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, we will acknowledge receipt of a Grievance within 7 days of its receipt and respond in writing with a decision within 15 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination (decision). We will respond within 30 calendar days after we receive an appeal for a postservice coverage determination. However, for postservice appeals involving Medical Necessity, we will respond in writing within 20 working days.

You may request that the appeal process be expedited if the time frames under this process would seriously jeopardize your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services.

If you request that your appeal be expedited you may also ask for an expedited external Independent Review at the same time, if the time to complete an expedited level one appeal would be detrimental to your medical condition.

Cigna's Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

You or your Authorized Representative has the right to submit additional comments, documents, records and other material relating to the adverse determination for consideration.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Physician reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Physician reviewer. You may present your situation to the Committee in person or by conference call.

For level two appeals we will acknowledge in writing that we have received your request within 7 days of its receipt and schedule a Committee review. For required preservice and concurrent care coverage determinations, the Committee review will be completed within 15 calendar days. For postservice claims, the Committee review will be completed within 30 calendar days. You will be notified in writing of the Committee's decision within 5 working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if, the time frames under this process would seriously jeopardize your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or your appeal involves non-authorization of an admission or continuing inpatient Hospital stay. Cigna's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. Cigna's Physician reviewer will consult with a Physician reviewer in the same or similar specialty as the care under consideration to make a decision. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

For adverse benefit determinations that qualify for external review, Cigna can waive its internal appeals process and move straight to external review.

Step Therapy Appeals

Requests for Step Therapy exceptions must be granted or denied no later than 72 hours or two business days, whichever

is later, after receipt of the request unless exigent circumstances exist. If exigent circumstances exist the entity shall grant or deny the request for an exception no later than one business day after receipt of the request. Requests are deemed approved if these turnaround times are missed.

External Review Procedure

You have the right to apply for external review by an Independent Review Organization if you are not fully satisfied with the decision of Cigna's level two appeal review regarding your Medical Necessity or clinical appropriateness issue.

The Independent Review Organization is composed of persons who are not employed by Cigna HealthCare or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this independent review process. Cigna agrees to be bound by the Independent Review Organization's decision notwithstanding the definition of Medical Necessity in the plan.

You have the right to sue Cigna if the decision of the Independent Review Organization is not implemented.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial by Cigna must be based on an Adverse Benefit Decision on one or more of the following:

- Whether a course or plan of treatment is Medically Necessary.
- Whether a course or plan of treatment is experimental or investigational.
- Whether a course or plan of treatment that you are undergoing is an active course of treatment for purposes of continuity of care.
- Whether a course or plan of treatment is delivered in an appropriate health care setting and with the appropriate level of care.

Administrative, eligibility or benefit coverage limits or exclusions are not eligible for an independent review under this process.

When applying for external review by an Independent Review Organization, you may be required to authorize the release of any medical records necessary to conduct the external review.

To request a review, you must notify the Appeals Coordinator in writing within 180 days of your receipt of Cigna's level two appeal denial. You must also sign a waiver granting the

Independent Review Organization access to your medical records. This waiver will be included in Cigna's level two appeal denial letter. The waiver form can also be found at the following link: www.cigna.com/privacy-forms. The waiver form must be signed and mailed to Cigna at the address located in your level two appeal denial letter at the time you submit your request for an external appeal. If you cannot locate your letter with the mailing address, you can call Customer Service at the number on the back of your ID card and they will provide the address.

Cigna will forward your request for external review to the Oregon Division of Financial Regulation no later than the second business day after receipt of your request or immediately for an expedited review. You or your Authorized Representative may submit additional information directly to the Independent Review Organization within 5 business days after the appointment of the Independent Review Organization or 24 hours in the case of an expedited review.

Cigna will pay the cost of the external review.

The Independent Review Organization will render an opinion within 30 days. When requested and when a delay would be detrimental to your condition, as determined by a provider with an established clinical relationship to the insured, the review shall be completed within three days.

You will be financially responsible for benefits paid to you or on behalf of you pursuant to ORS 743.804(2) (g) if Cigna's adverse benefit determination is upheld on appeal.

The Independent Review Program is a voluntary program arranged by Cigna, working with Oregon's Department of Consumer and Business Services.

Any external review procedure available under the plan will apply to any adverse determination regarding whether the plan complied with the surprise billing and cost sharing protections of the federal No Surprises Act and its implementing regulations.

Assistance from the State of Oregon

You have the right to file a complaint or seek other assistance from the Oregon Division of Financial Regulation. Assistance is available:

- by calling (503) 947-7984 or the toll-free message line at (888) 877-4894;
- by writing to the Oregon Division of Financial Regulation, Consumer Advocacy Unit, P.O. Box 14480, Salem, OR 97309-0405;

Additional Information

The following information is available from Cigna upon request:

- Cigna's annual report on grievances and internal appeals submitted to the Oregon Division of Financial Regulation.
- A description of Cigna's efforts, if any, to monitor and improve the quality of health services.
- Information about Cigna's procedures for credentialing network providers.

The following information may be available from the Oregon's Department of Consumer and Business Services:

- Annual summary of grievance and appeals.
- Annual summary of utilization review policies.
- Annual summary of quality assessment activities.
- Results of all publically available accreditations surveys.
- Annual summary of Cigna's health promotion and disease prevention activities.
- Annual summary of scope of network and accessibility services.

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: availability, upon request, of the diagnosis and treatment codes, and their meanings; the specific reason or reasons for the adverse determination including, if applicable, the denial code and its meaning and a description of any standard that was used in the denial; reference to the specific plan provisions on which the determination is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit and information about any office of health insurance consumer assistance or ombudsman available to

assist you in the appeal process. A final notice of adverse determination will include a discussion of the decision.

You or your plan may have other voluntary alternative dispute resolution options such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your state insurance regulatory agency. You may also contact the Plan Administrator.

Relevant Information

Relevant Information is any document, record, or other information which: was relied upon in making the benefit determination; was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Legal Action

In most instances, you may not initiate a legal action against Cigna until you have completed the level one and level two appeal processes. If your appeal is expedited, there is no need to complete the level two process prior to bringing legal action.

Dependent

Dependents are:

- your lawful spouse; or
- your Domestic Partner; and
- any child of yours who is
 - less than 26 years old.
 - 26 or more years old, unmarried, and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical disability which arose while the child was covered as a Dependent under this Plan, or while covered as a dependent under a prior plan with no break in coverage.

Proof of the child's condition and dependence may be required to be submitted to the plan within 31 days after the date the child ceases to qualify above. From time to time, but not more frequently than once a year, the plan may require proof of the continuation of such condition and dependence.

The term child means a child born to you or a child legally adopted by you including that child from the date of placement. Coverage for such child will include the necessary care and treatment of medical conditions existing prior to the date of placement including medically diagnosed congenital defects or birth abnormalities. It also includes a stepchild or a child for whom you are the legal guardian. If your Domestic

Partner has a child, that child will also be included as a Dependent.

Benefits for a Dependent child will continue until the last day of the calendar month in which the limiting age is reached.

Maximum Reimbursable Charge – Medical

See The Medical Schedule for information about Out-of-Network Charges for Certain Services, Out-of-Network Emergency Services Charges, and Out-of-Network Air Ambulance Services Charges.

The Maximum Reimbursable Charge (also referred to as MRC) is the maximum amount that your plan will pay an Out-of-Network health care provider for a Covered Expense. Your applicable Out-of-Network Coinsurance and/or Deductible

amount(s), if any, set forth in The Schedule are determined based on the MRC. Unless prohibited by applicable law or agreement, Out-of-Network providers may also bill you for the difference between the MRC and their charges, and you may be financially responsible for that amount. If you receive a bill from an Out-of-Network provider for more than the What I Owe amount on the Explanation of Benefits (EOB), please call Cigna at the phone number on your ID card.

If an Out-of-Network provider is willing to agree to a rate that Cigna, in its discretion, determines to be market competitive, then that rate will become the MRC used to calculate the Out-of-Network allowable amount for a Covered Expense. An Out-of-Network provider can agree to a rate by: (i) entering into an agreement with Cigna or one of Cigna's third-party vendors that establishes the rate the Out-of-Network provider is willing to accept as payment for the Out-of-Network Covered Expense; or (ii) receiving a payment from Cigna based on an allowed amount that Cigna or one of Cigna's third-party vendors has determined is a market competitive rate without billing you and/or obligating you to pay the difference between the payment amount and the charged amount.

If an Out-of-Network provider does not agree to a market competitive rate as described in the previous paragraph, then the MRC for Open Access Plus will be based on an amount required by law, or if no amount is required by law, then the lesser of:

- the providers normal charge for a similar service or supply; or
- the planholder-selected percentage of a fee schedule Cigna has developed that is based upon a methodology similar to a methodology utilized by Medicare to determine the allowable reimbursement for the same or similar service or supply within the geographic market. In the event that Medicare does not have a published rate for a particular service or supply, Cigna may, in its discretion, determine the MRC based on a rate for the same or similar service or supply by applying a Medicare-based methodology that Cigna deems appropriate.

The percentage used to determine the Maximum Reimbursable Charge is 200%.

Note: Some providers attempt to forgive, waive, or not collect the cost share obligation (e.g., your Coinsurance and/or Deductible amount(s), if any), that this plan requires you to pay. This practice jeopardizes your coverage under this plan. Please read the Exclusions, Expenses Not Covered and

General Limitations section, or call Cigna at the phone number on your ID card for more details.

Some Medical Pharmaceuticals may initially or typically require Physician oversight but subsequently may be self-administered under certain conditions specified in the product's FDA labeling.

HC-DFS1722

07-22

Medically Necessary/Medical Necessity

Health care services, supplies and medications provided for the purpose of preventing, evaluating, diagnosing or treating a Sickness, Injury, condition, disease or its symptoms, that are all of the following as determined by a Medical Director or Review Organization:

- required to diagnose or treat an illness, Injury, disease or its symptoms;
- in accordance with generally accepted standards of medical practice;
- clinically appropriate in terms of type, frequency, extent, site and duration;
- not primarily for the convenience of the patient, Physician or Other Health Professional;
- not more costly than an alternative service(s), medication(s) or supply(ies) that is at least as likely to produce equivalent therapeutic or diagnostic results with the same safety profile as to the prevention, evaluation, diagnosis or treatment of

your Sickness, Injury, condition, disease or its symptoms; and

- rendered in the least intensive setting that is appropriate for the delivery of the services, supplies or medications. Where applicable, the Medical Director or Review Organization may compare the cost-effectiveness of alternative services, supplies, medications or settings when determining least intensive setting.

In determining whether health care services, supplies, or medications are Medically Necessary, the Medical Director relies on the clinical coverage policies maintained by Cigna or the Review Organization. Clinical coverage policies may incorporate, without limitation and as applicable, criteria relating to U.S. Food and Drug Administration-approved labeling, the standard medical reference compendia and peer-reviewed, evidence-based scientific literature or guidelines.
