

Medical Care Expenses

You can use your health reimbursement arrangement (HRA) to pay or reimburse hundreds of eligible medical, dental, or vision expenses and premiums. Your HRA covers you, your spouse, and dependents. IRS-qualified “medical care” expenses and premiums are outlined in Section 213(d) of the Internal Revenue Code. Examples include, but are not limited to, those listed below.

When you’re ready to file a claim, log in at HRAveba.org and click **Claims**, or use our handy mobile app, **HRago**®. We’ll process your claim in about five to seven business days.

With our free **Benefits Card**, you don’t have to file claims and wait to get reimbursed. Just swipe your card and save the explanation of benefits (EOB) or detailed invoice from your provider. We’ll let you know when we need a copy.

Certain restrictions may apply. Read our **HRA VEBA Plan Summary** for details. To get a copy, log in online and click Resources. Expenses solely for cosmetic reasons are not qualified medical care expenses. Expenses for items or services intended to maintain good health and not treat a diagnosed medical condition are usually not eligible. Certain "dual-purpose" expenses, such as massages, may require a letter of medical necessity from your licensed healthcare provider. If you're covered by a healthcare flexible spending account (FSA), it must be used up before submitting claims to your HRA.
