Memo

To: Downtown Advisory Board
From: Sheri Wahrgren
Date: May 26, 2022
Re: Downtown Advisory Board Quorum Rules

It is important for the Downtown Advisory Board to have regular meetings. In order for the board to meet they have to have a quorum of board members be in attendance. The current quorum rule for DAB is defined as a "Majority of the Board".

Downtown Advisory Board has 11 board positions which requires 6 board members to be present in order to meet the quorum requirements to have a meeting.

This memo is a request of the Downtown Advisory Board members to approve the following recommendation to revise the quorum rules to the following:

Quorum. A majority of the currently servicing members of the Board constitute a quorum to do business. Unless otherwise provided in the rules, the majority vote of the quorum present shall decide the question. Should a quorum not be present at a meeting, the members present may continue informally, but cannot render a decision.

The proposed quorum rule is what the West Salem Advisory Board and North Gateway Advisory Board utilize to determine quorums for their meetings.

Staff recommends the change will increase the ability of the board to achieve a quorum and have meetings going forward. Thank you for your consideration.
