June 23, 2020

**SUBJECT: Notice of Construction—Sunrise Avenue S Waterline Package
Project Number 717005**

Dear Salem Property Owner/Resident:

ML Houck Construction Company has been awarded the contract to replace aging waterlines in your neighborhood. The project will install new waterlines along portions of Ben Vista Drive S, Linden Lane S, Candalaria Boulevard S, and Sunrise Avenue S (see attached map).

City crews have already begun some initial work to prepare for the upcoming improvements. **Construction activities are expected to start in late June, with completion anticipated in October 2020.** During construction, the streets designated on the enclosed map will be temporarily closed to through traffic, but local access will be maintained. There will be periods when flaggers are present and times when on-street parking will be restricted. Pedestrians should use caution, as this work will also require temporary sidewalk closures.

If you have any questions or concerns regarding the project, please contact me at 503-588-6211 or mlinn@cityofsalem.net.

Sincerely,

Michael Linn, PE
Senior Project Manager
